

Beginning January 3, 2012, trash will **no longer** be accepted from residents at the Brooklyn Park Transfer Station.

A new system will remove recyclables from the waste stream by sorting the trash dropped off by commercial haulers. This will involve remodeling the drop-off facility, eliminating the space now used by residents to drop off trash.

We apologize for any inconvenience this may cause. Please see the back of this card for nearby residential trash disposal options or contact your garbage hauler for pick-up options.
