Hennepin County will reconstruct County Road 101 (Bushaway Road) in Minnetonka, Woodland and Wayzata. The project extends from north of Minnetonka Boulevard (County Road 5) to US Highway 12 at Wayzata Boulevard. The project is slated to begin mid-September 2014 and is expected to be finished by fall 2016.

Closures

Eastman Lane and McGinty Road (Wayzata)

Approximately September 22, Eastman Lane and McGinty Road in Wayzata will be closed to traffic. McGinty Road is anticipated to reopen later this fall with Eastman Lane reopening in early spring 2015. Advance notice signs have been placed in the area and a signed detour will be provided.

Closure from Minnetonka Boulevard to U.S. Highway 12

It is anticipated that County Road 101 from Minnetonka Boulevard in Minnetonka to U.S. Highway 12 in Wayzata will be closed to vehicle thru traffic starting in October. This closure will remain for the duration of this project. Advance warning signs will be placed and a signed detour provided.

Construction activities

Grading of roundabout in Minnetonka

The contractor will begin grading the 90 degree curve of County Road 101 located just north of Minnetonka Boulevard at Breezy Point Curve and McKenzie Point Road, in preparation for installation of a roundabout. This work will also begin shortly after September 22. County Road 101 will remain open at this location during the start of this grading work.

Private utility relocations

It is anticipated that County Road 101 from Minnetonka Boulevard in Minnetonka to U.S. Highway 12 in Wayzata will be closed to vehicle thru traffic starting in October. This closure will remain for the duration of this project. Advance warning signs will be placed and a signed detour provided.

Railroad bridge

The bridge over the Burlington Northern Santa Fe Railroad, north of McGinty Road in Wayzata, will remain open until late this winter. At that time it will be removed and a new bridge built for use by fall 2015.
Gray’s Bay Marina and boat launch in Minnetonka

Throughout this reconstruction project, access will be maintained to the Gray’s Bay Marina slips and boat launch, although detours may be required to reach the marina. Updates will be provided as needed to slip holders and to launch users, as access may change on a regular basis as work proceeds.
