

# Evidence-Based Practice (EBP) Corrections Professional Certificate Program

## The Program

### Who is this program for?

- existing correctional staff desiring to enhance their knowledge, skills, and career opportunities
- students looking to gain practical skills that prepare them for employment in the corrections profession

### What skills will I gain?

Practical skills to enhance your effectiveness as a change agent with clients such as:

- motivational interviewing;
- assessment;
- group facilitation skills; and
- case planning

### How is this training provided?

- through a variety of delivery modes: classroom, online, and experiential learning by professionals in the field with real-world perspectives and connections with current materials and tools that open pathways for enhanced employment

### Where are the classes held?

Metropolitan State University  
Campus to be determined
