

2022 Food, Beverage & Lodging License Fees

License categories are determined by the type of food, amount of food handling, risk level of the food, and the size of the operations. The types of facilities listed are examples. They are not all-inclusive. The specific operation of a food establishment may change the level from the one listed.

Exempt from licensing and fee

- Packaged candy
- Non-hazardous bottled/canned beverages

Primary – Largest or highest risk level facility at an address.

Additional – One or more facilities at the same address.
