

Multifamily bin and compostable bag grants

Hennepin County offers grants for bins and compostable bags to start or improve recycling and/or organics recycling at multifamily properties.

Eligible recipients	Apartments, condos, and townhome associations in Hennepin County.
Eligible expenses	Select from our offerings of blue or green containers for collecting recycling and organics and up to a 6-month supply of BPI-certified compostable bags.
Application timeline	Applications are accepted on an ongoing basis until November 13, 2023, or until available funds are depleted.
Amount of funding available	Select up to \$3,000 worth of containers and bags.
Matching funds	No match required
Reporting requirements	Provide waste hauling information at the start and conclusion of the project. This information is one way to assess your project as a result of receiving county-funded resources. You can find your waste information on hauling invoices.
