

# Recycling grants for multifamily properties

Hennepin County offers grants for multifamily properties to improve recycling and reduce contamination, prevent waste or start organics recycling for composting. Areas of focus can include organics hauling service, construction of waste enclosures or chutes, bulky waste and waste prevention.

<b>Eligible recipients</b>	Apartments, condos, and townhome associations in Hennepin County
<b>Eligible expenses</b>	<ul style="list-style-type: none"> <li>• Organics hauling start-up costs (up to 6 months), including associated fees.</li> <li>• Construction-related costs, such as for waste enclosures and chutes, specifically for recycling and/or organics recycling, not trash.</li> <li>• Other items not outlined in this section may be considered for funding particularly if they are innovative, prevent waste, or target hard-to-recycle items such as bulky waste.</li> </ul>
<b>Application timeline</b>	Applications are accepted on an ongoing basis until November 13, 2023, or until available funds are depleted.
<b>Amount of funding available</b>	Applicants may apply for up to \$20,000.
<b>Matching funds</b>	No match required
<b>Project timeline</b>	Grant term of up to 18 months.
<b>Reporting requirements</b>	A final project report must be submitted at least 30 days prior to the expiration of the grant agreement. The report must detail efforts made to achieve project goals and the results of those efforts, including quantitative data, referencing the baseline data and project expenditures. A reporting template will be provided.
