## 2020 – 2022 License Application

There are no changes to the hauler license application, but please note:

- **Licensing Term**

The license application is for a two-year term, from July 1, 2020 to June 30, 2022. You will still need to ensure that your Base and Operating Counties receive an updated insurance certificate in 2021, as these typically cover a one-year period. You must also notify your Base County if you add, replace, or remove a vehicle in your fleet.
- **Licensing Fee**

The licensing fee is \$100 per truck per two-year term.
- **Liability Insurance Coverage Limits Increased**

The required minimum limits for liability insurance remain the same as the previous licensing period. Please contact your insurance provider as soon as possible to comply with the minimum limits below.

  - Commercial General Liability in the amount of \$1,500,000 per occurrence, \$2,000,000 aggregate.
  - Auto Liability in the amount of \$1,500,000 per occurrence, combined single limit. The policy shall cover owned, hired, and non-owned vehicles.
