ARTICLE V. COMMITTEES

B. Standing EMS Council Committees

Medical Standards Committee

- a. The Committee will focus on activities associated with pre-hospital emergency medical care through the delivery of the patient to an emergency department, including:
 - (1) Ambulance service personnel training and standards;
 - (2) Unscheduled pre-hospital medical treatment protocols;
 - (3) Coordination of pre-hospital medical care;
 - (4) Appropriateness of patient transport and disposition; and
 - (5) Approval of recommendations from the Medical Directors Subcommittee.
