Welcome to Lake Minnetonka

Avoid these common offenses

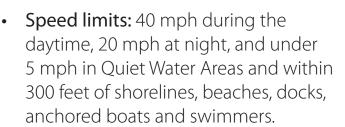

According to Hennepin County Sheriff's Water Patrol, the following boating rules are among the most common boating violations. Follow the rules and common sense for safe and courteous boating.

For a complete list of boating rules and regulations, go to the Lake Minnetonka Conservation District, **Imcd.org**, and the Minnesota Department of Natural Resources, dnr.state.mn.us.

- Life Jackets: For each person on board, carry one readily accessible Coast Guard approved Type I, II, or III life jacket. Watercraft of 16 feet or longer must have one Type IV throwable device. **Note:** Minnesota state law requires a life jacket be worn by children less than 10 years of age when aboard watercraft that is underway.
- Under the influence: No person shall operate any watercraft while under the influence of an alcoholic beverage or controlled substance.

- **Registration:** All motorized watercraft regardless of length and nonmotorized watercraft over 10 feet must have current registration visible.
- No riding on gunwales or decking: No person should ride on gunwales or decking over the bow or transom while boat is underway unless there are adequate guard rails.
- No personal watercraft after hours: Hours of operation for personal watercraft are 9:30 a.m. to one hour before sunset. Cannot operate more than 30 consecutive minutes in a single area.
- Quiet Waters Areas: No person shall operate a motor-operated watercraft on quiet water areas of the lake at a speed in excess of 5 mph, or at a speed that results in more than a minimum wake. The areas of the lake restricted to quiet waters are shown on the other side of this map.

- Observer required for boats to tow persons: For a watercraft and operator to tow a person on water skis, surfboard, tube or similar device, an additional person – the observer, at least 12 years old – is required to continually observe the person being towed.
- Navigational lights: When boating (underway) between sunset and sunrise, you must display proper navigational lights: a red light to port, a green light to starboard, and a white light to stern. At anchor, all boats must display a white light visible 360 degrees.
- Speed limits: 40 mph during the daytime, 20 mph at night, and under 5 mph in Quiet Water Areas and within 300 feet of shorelines, beaches, docks, anchored boats and swimmers.
- Quiet hours: Between 10 p.m. and 7 a.m., any equipment or device that is plainly audible at a distance of 150 feet shall be a noise violation.

Join Lake Pledge

Aquatic invasive species (AIS) can cause irreparable damage to native fish and plant populations affecting lake recreation, human health, property values, and the economy.

Learn what you can do to prevent the spread of AIS by joining Lake Pledge at **lakepledge.com** or download the Lake Pledge app on Apple's App Store or Google Play.

Bridge heights

These are the vertical clearances under bridges to the normal lake elevation 929.4 feet. For current lake elevations, go to the Minnehaha Creek Watershed District website, minnehahacreek.org.

hannel	Clearance	Channel	Clearan
rcola	14'9"	Hendrickson	15'0"
lack Lake	9'9"	Libbs Lake	8'10"
oy Scout	6'11"	Lost Lake	11'1"
arson's Bay	5'8"	Narrows	18'3"
offee	13'6"	Noerenberg	12'8"
merald Lake	12'4"	St. Albans Bay	12'5"
orest Lake	11'3"	Seton Lake	12'8"
rays Bay	14'4"	Tanager Lake	10′0"
alsted Bay	14'11"	Zimmermans Pass	11'6"

The Narrows Channel. Originally dredged in 1884

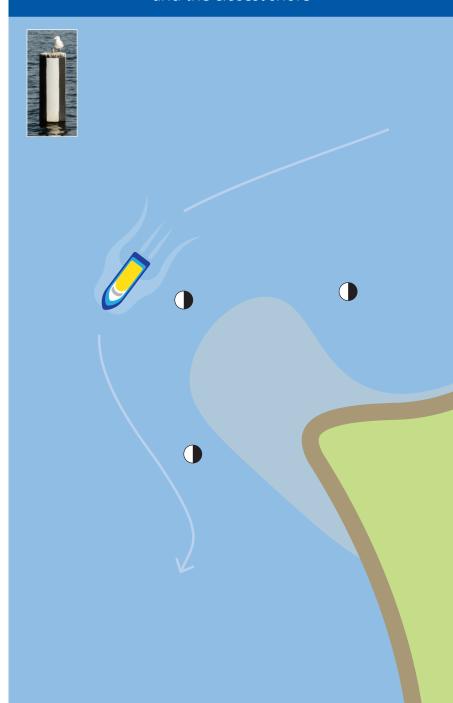

Danger buoys Identifies potential hazards in the middle of a bay

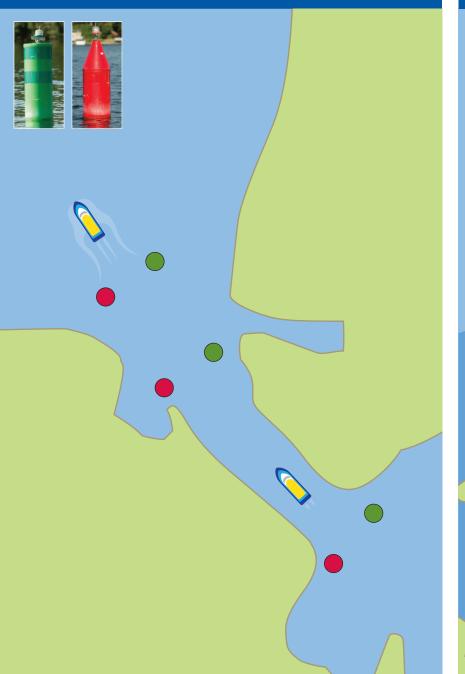

Identifies potential hazards between buoy and the closest shore

Channel buoys

Stay between red and green channel buoys. reate minimum wake when 150 feet from shore/structure

Big Island Cruiser's Cove No anchoring between designated safety lanes.

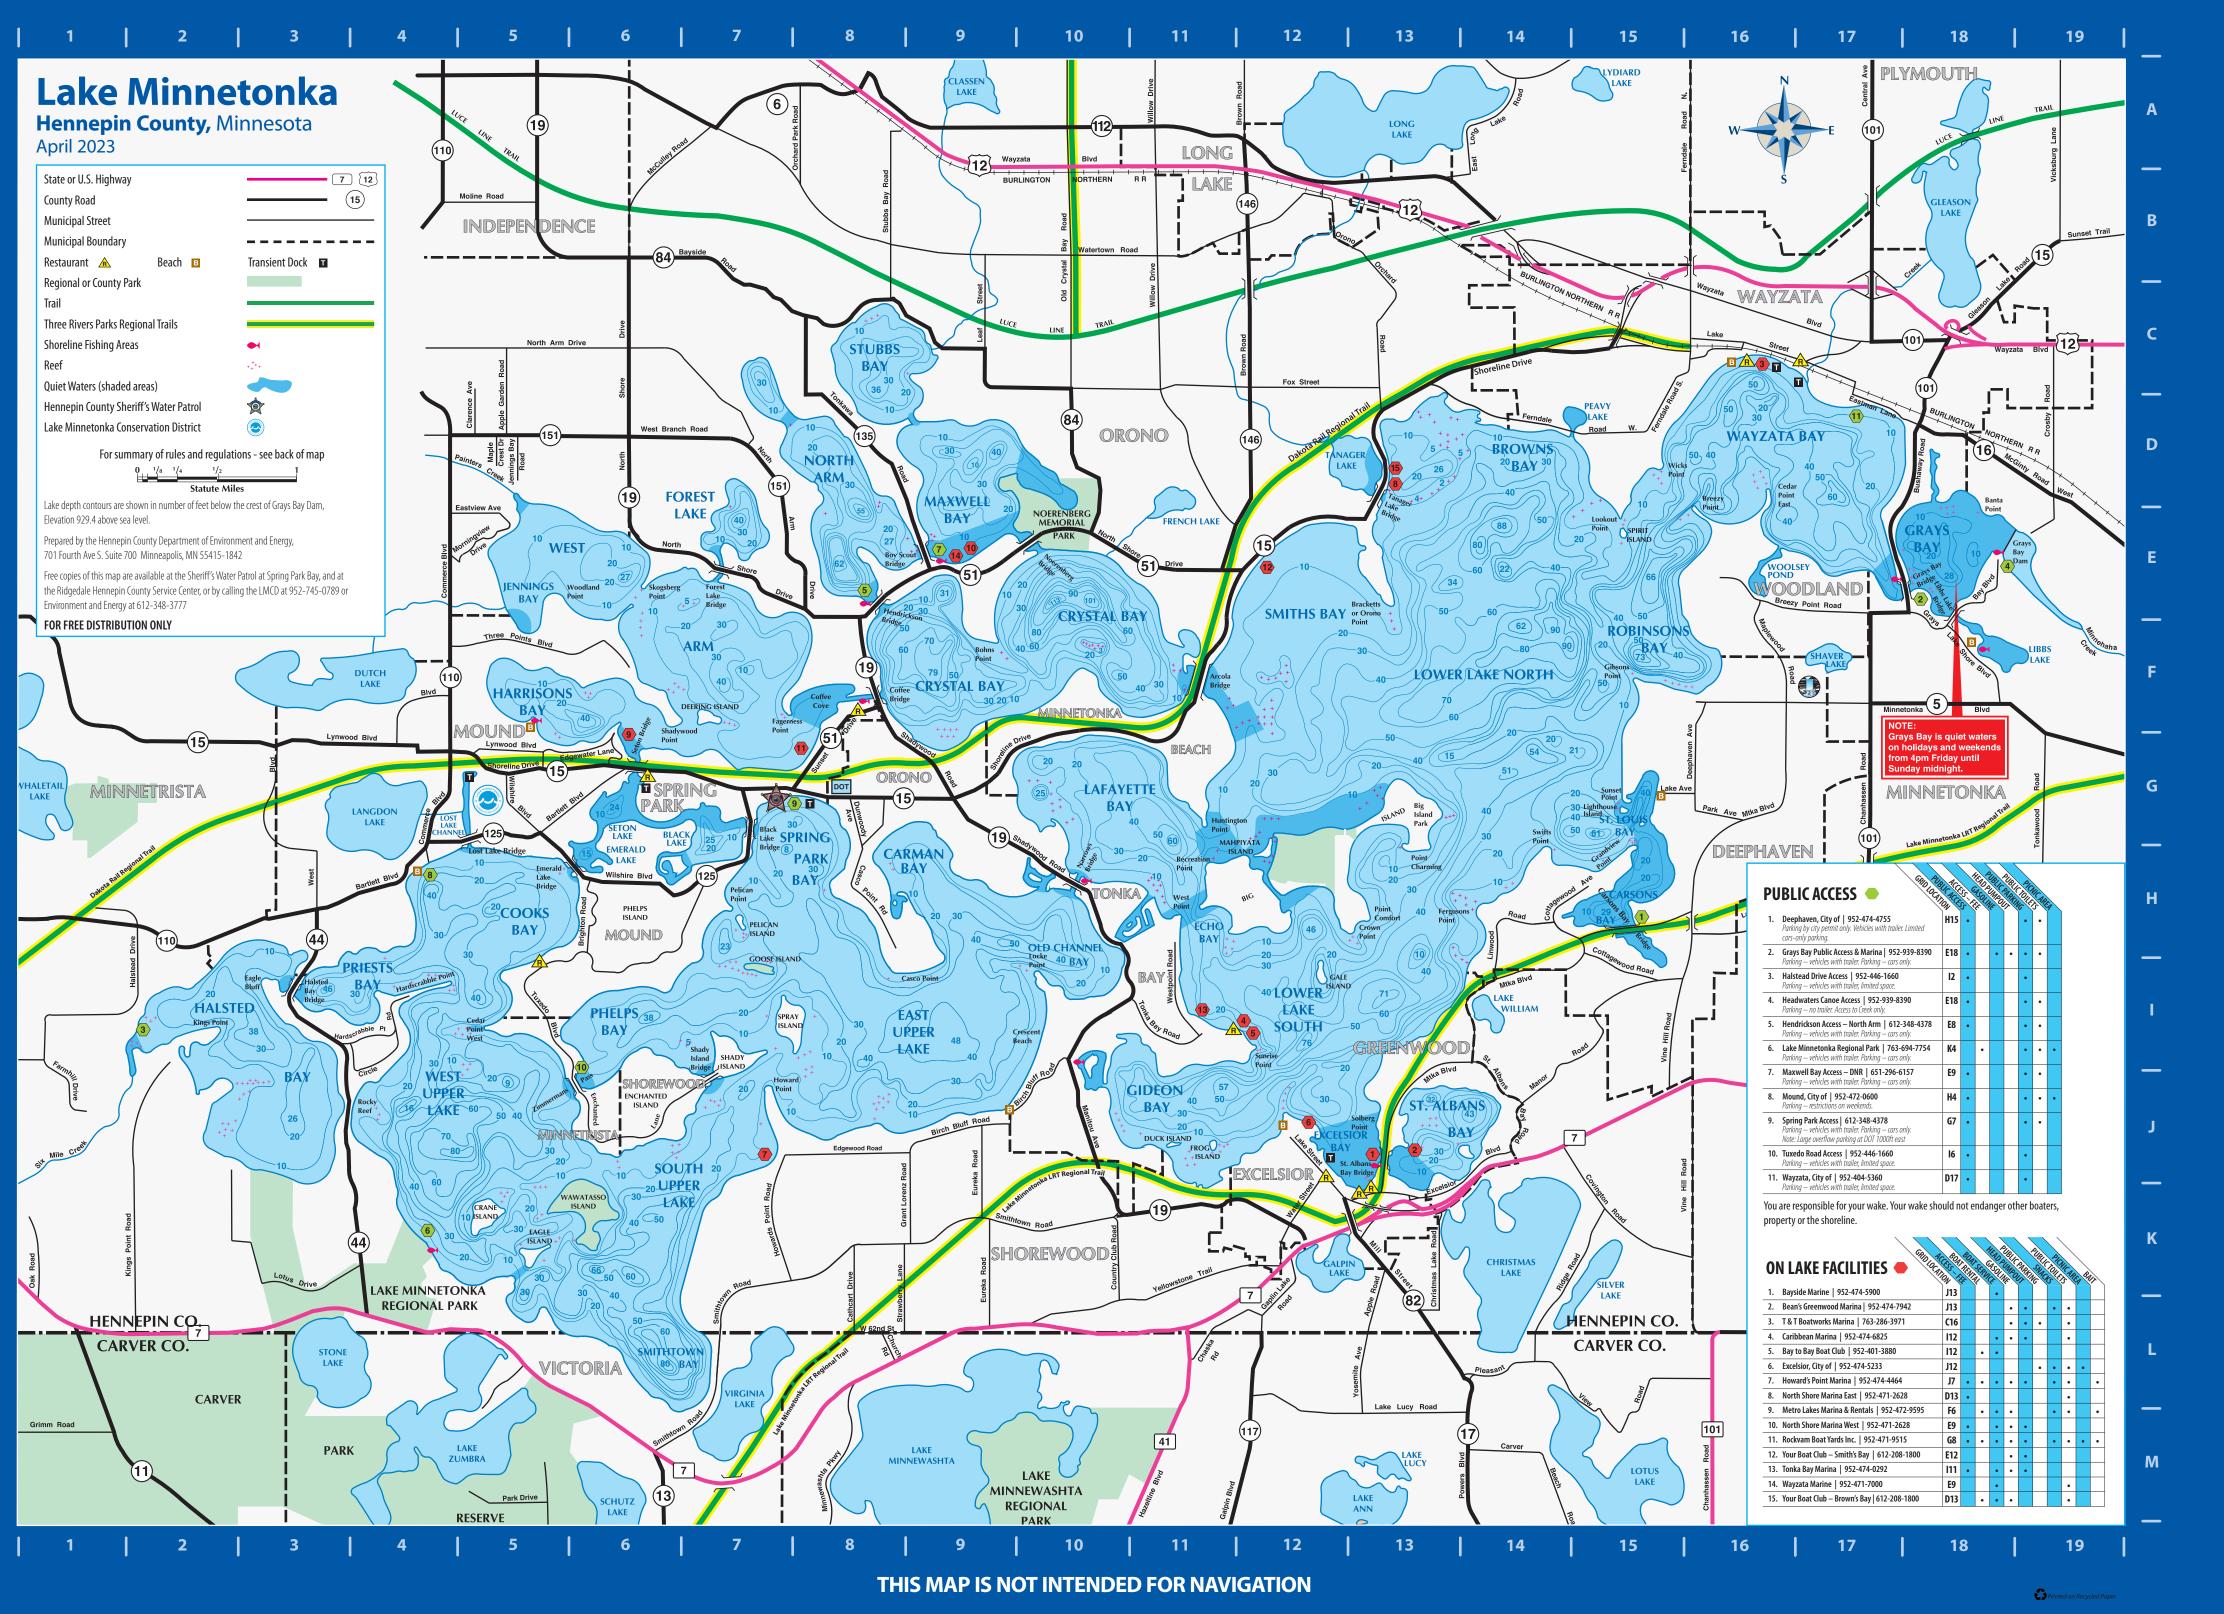

Minimum wake in designated quiet water.

- New rule beginning January 1, 2023:
- Maintain a 5 mph speed limit on all boats within 300 feet from shore. The current rule requiring a 150-foot distance from docks, anchored boats, swimmers or scuba divers' warning flags throughout the lake will not change.
- Minimize repetitive passes. Once you've run a line, move on to another area. Comply with all signs and no wake zones.
- Respect the rights of others so everyone can enjoy their time on the water – keep the noise down, be courteous to other boaters, and show consideration to everyone.
- Be aware of your environment and what's going on around you.
- You are responsible for your wake and any damages or injuries it causes.
