Notes

- This is the ESP Agency Directory, if you are looking for the current ESP Staff Directory, contact rebecca.golden@hennepin.us
- **Data Specialists:** Are those designated to receive data specialist reports (i.e. WPR, Job Search Hours, etc.).
- **WF1 System Experts:** Must have a good understanding of the WF1 system and should be able to problem solve utilizing training materials to do so. Agency staff will contact the system expert with WF1 questions. If the WF1 system expert is unable to resolve an issue, they should contact rebecca.golden@hennepin.us for additional support.

The WF1 Expert should monitor WF1 system announcements, attend the State WF1 Mentor meetings, and share information with agency staff as appropriate.
- **Case Transfer Contacts:** Responsible for facilitating interagency case transfers according to Hennepin County policy.

The Transfer Contact will accept transfer cases; work with the other ESP agencies to make sure case transfers are complete and timely; notify the TTL team of the transfers so information may be updated in MAXIS; and inform the Child Care Assistance worker of changes.
