About The Family Partnership

The Family Partnership is one of the most innovative, high-performing nonprofit organizations in the Twin Cities. We were founded over 136 years ago. Through counseling, education programs, and advocacy, The Family Partnership supports families in need and empowers them to solve problems. Our mission is to build strong families, vital communities and better futures for children.

Who We Serve

We served 30,294 people in the year 2013.
A 50% increase from 2012!

- 91% living in or near poverty
- 59% children ages 0-17
- 61% people of color
- 29% people with an immigrant background
- 51% in urban Minneapolis/St. Paul
