

NorthPoint Health & Wellness Center is hosting an expansion subcontractor information session

Friday, March 5

10:30 a.m.

Join the virtual event:

bit.ly/np-construction-event

Hennepin County is inviting material suppliers and subcontractors that perform interior finish work to learn more about the upcoming NorthPoint construction project. This is an opportunity to receive project information, meet potential general contractors and learn about becoming CERT certified.

Learn more about the project:
