2018 heavy commercial traffic counts
Transportation Planning | Hennepin County Public Works

Notes:
1. Traffic volumes on the Hennepin County Highway System are counted on alternating years. Data in even years and Zone 1 is minimal in odd years. If a count is not current, it is indicated by "Not available." 
2. Heavy commercial traffic volumes on the County Highway System within the City of Minneapolis are managed by the Traffic Engineering Division of the Minneapolis Department of Public Works, but are not yet available for publishing. For further information on updates, call the City at (612) 673-4215.
3. Heavy commercial traffic volumes for Hennepin U.S. and State Truck Highways were furnished by the Minnesota Department of Transportation. For further information, contact MnDOT office near the highway.
4. Calls to MnDOT (203-351-1000) can be made 24 hours a day for the latest or current traffic volumes.
5. Except as noted above, for further information about traffic volumes on the County Highway System, the Hennepin County Transportation Department at (612) 596-0240.
