2018 traffic counts
Transportation Planning | Hennepin County Public Works

Notes:

1. Traffic volumes on the Hennepin County Highway System are counted under alternating years. Year 1 is counted in even years and Year 2 is counted in odd years. If a count is not available, the prior count is indicated by "Not Counted".
2. Traffic volumes on the County Highway System within the City of Minneapolis were counted by the City of Minneapolis, Department of Public Works. Traffic volumes for the same intersecting year on the Hennepin County Highway System is not current; the prior year is included for reference information on updates, call the City of Minneapolis.
3. Traffic volumes for Interstate, U.S., and State Trunk Highways were reported by the Minnesota Department of Transportation (MnDOT). Traffic on these highways was counted in 2015 or 2017. Call MnDOT at 1 (877) 360-6699 for further information or to request information from other years.
4. Details on the above, for further information about traffic volumes on the County Highway System contact the Hennepin County Transportation Department at 763-496-6200.
