Voting checklist

Voting can seem intimidating at first, but we are here to help you through the process.

Use this checklist and voter guide to make voting easy this year!

Prepare to vote

☐ Make sure you’re eligible to vote (page 4)

☐ Register to vote (page 7)

☐ Know what’s on your ballot (page 19)

☐ Have a voting plan:
  - I will vote by mail (page 11)
  OR
  - I will vote early in person (page 12)
  OR
  - I will vote on Election Day (page 13)

☐ Vote!
Registering to vote

You must register before you can vote.

Registering is a way to prove that you are eligible.

• In Minnesota, you can pre-register up to 21 days before Election Day.
• You can also register when you vote early in person or on Election Day with same-day registration.

Unsure if you’re registered? Check at mnvotes.gov/register
Ways to register

Online at mnvotes.gov/register
- You will need an email address for this method

On paper
- Print a registration application from mnvotes.gov/register or hennepin.us/elections
- Mail or drop off at Hennepin County Elections

In person
- You need to provide proof of
  - who you are, and
  - where you live
    For example, a current and valid Minnesota ID or driver’s license
- Find a list of all proof-of-residence options at mnvotes.gov/register
OR
- Have a registered voter in your precinct vouch for you
  (for more info on vouching see page 9)

Remember to update your registration when:
- You move to a new address
- Change your name
- Have not voted at least once within the last four years

College students
Register with the address you currently consider home. For example, your dorm, off-campus housing, or your parents’ home.
If you don't have proper documentation of your current residence, you can have someone vouch for you when voting in person.

The person vouching for you is required to sign an oath confirming your address.

**Who can vouch for you?**

- A registered voter who lives in the same precinct
  
  *(a registered voter can vouch for up to eight voters)*

  OR

- A facility staff member if you live in a residential facility

- Staff need to show proof of their employment at the polling place
  
  *(for example: an employee ID badge or a staff list)*

There is no limit to how many people a staff member can vouch for.

You cannot vouch for others if someone vouched for you.

Note: If your address can’t be confirmed, you may be “challenged” at the polls. You are still able to vote. The election judges at your polling place will have you take an oath of eligibility prior to voting.
In Minnesota, you have options for how you can choose to vote.

All voters are eligible to do so.

- Vote early by mail (*page 11*)
- OR
- Vote early in person (*page 12*)
- OR
- Vote on Election Day (*page 13*)
Early by mail

Voting by mail is easy and convenient. You don’t have to leave the house and there’s no waiting in line!

Steps:

1. Register to vote (page 7)

2. Apply to have an absentee ballot mailed to you at mnvotes.gov/absentee or hennepin.us/elections
   - Note: For odd election years absentee applications need to be sent to Hennepin County Elections by mail, email or fax.

3. You will receive your ballot by mail

4. Fill out your ballot
   - Make sure to carefully read the instructions
   - A witness signature is required from a registered voter or notary

On Election Day

Election Day is an exciting time to vote, and your polling place is usually close to home.

Steps:
1. Pre-register or register when you vote (page 7)
   - If you are pre-registered, you don’t need to bring an ID
   - If registering on Election Day, make sure you bring proper proof of residency

2. Find your polling place at mnvotes.gov/pollfinder
   - Remember that wait times can vary
   - Polls are open from 7 a.m. to 8 p.m. on Election Day

3. Vote!
   - You will vote in a private area
   - You have the right to ask for help or get a new ballot if you make a mistake

If you are in line by 8 p.m., you will be allowed to vote.
Polling places are required to be accessible.

A voter can bring a friend, family member, or anyone to help them vote.

A voter can also ask an election judge for help.

**Accessible voting technology**

Each polling place has an OmniBallot Tablet (*accessible ballot marking device*) for voters with disabilities, allowing anyone to mark their ballot independently and privately without using a pen.

The machine has a screen that displays the ballot in large print or with a high-contrast background. It can also read the ballot to you through headphones.

Voters can mark their choices with a touchscreen, Braille keypad, or a three-button device.

**Curbside voting**

Election judges can help you vote curbside if you cannot easily leave your vehicle. Two election judges will come out with materials requiring a signature and your ballot. Once you are done marking your ballot, they will bring the ballot inside to the ballot box.
Special circumstances

Voting while homeless
If you’re eligible to vote, you can do so regardless of your housing situation. Make sure you use a current address (for example, shelter, friend’s house, outside, etc.) when registering.

For an outdoor address, write the cross streets and a description of where you sleep (for example, SW corner of Loring Park near the intersection of Hennepin Ave. and Oak Grove St.).

If you don’t have proper documentation of your current residence, you can have someone vouch for you on Election Day. The person vouching for you must live in your precinct and is required to swear under oath that they personally know you live in the location you provided (page 9).

Voting with a criminal record
Your criminal record does not affect your right to vote in Minnesota unless you are currently incarcerated for a felony sentence. Once you are no longer incarcerated, your right to vote is restored.

Safe at Home
Safe at Home is a statewide program to help people who fear for their safety maintain a confidential address.

If you are a participant in the Safe at Home program, please visit the Safe at Home program website to learn more about how to vote. You can also call the Safe at Home number: 1-866-723-3035.
Federal offices

**President:** The head of the United States of America. They sign into law bills passed by the United States Congress, or veto bills. The president is responsible for the execution and enforcement of the laws created by Congress. They appoint the heads of more than 50 independent federal commissions and can issue executive orders. The president nominates Supreme Court justices to be confirmed by Congress. The President is the commander in chief of the U.S. Armed Forces. The president and vice president serve a four-year term and are limited to two terms. *Partisan*

**Vice president:** The primary responsibility of the vice president is to be ready to assume the presidency if the president is unable to perform their duties. The vice president serves as the president of the United States Senate and casts the deciding vote in the case of a tie. They formally preside over the receiving and counting of electoral ballots cast in presidential elections. The vice president runs on the same ticket as the president, so you will vote for them as a pair. *Partisan*

**U.S. senator:** The Senate is one chamber of Congress. There are 100 U.S. senators, two from each state. U.S. senators propose, debate, and vote on legislation. They have oversight over the federal budget, approve or reject presidential appointments. The Senate has sole power to approve or reject treaties with foreign governments by a two-thirds vote. They serve six-year terms. *Partisan*

**U.S. representative:** The House of Representatives is the second chamber of Congress. The 435 U.S. representatives are distributed by population and are redistributed every ten years after the census. Like U.S. senators, representatives propose, debate, and vote on legislation and have the power to impeach federal officials. They serve two-year terms. *Partisan*

State offices

Lieutenant governor: Assumes the governor’s responsibilities in their absence or if there is a vacancy. They also perform other duties assigned by the governor. The lieutenant governor runs on the same ticket as the governor, so you will vote for them as a pair. Partisan

County offices

County commissioner: Approves the annual county budget, determines the county’s tax levy, appoints the county administrator and authorizes personnel rules. They also work on long-range planning and capital improvements, authorize the use of state and federal grants, adopt county laws and fill early vacancies of county attorney and sheriff. Nonpartisan

County sheriff: Executes all processes, writs, precepts, and orders issued or made by lawful authority. The county sheriff investigates recreational vehicle crashes involving personal injury or death that occur outside the boundaries of a municipality. They serve all papers, post all notices named by law to be served or posted on behalf of the state or of the county, and maintain the charge and custody of the county jail. Nonpartisan
County attorney: Provides legal services to the county. They prosecute felony crimes and all cases involving juvenile offenders, oversee juvenile diversion programs, and aid the victims and witnesses who play a vital role in the criminal justice system. The county attorney advises victims of their legal rights and the status of their case, starts legal proceedings to protect the health and safety of vulnerable adults within the county, and brings actions to obtain or enforce child support obligations. Nonpartisan

County park commissioner: Seven members make up the Three Rivers Park District Board of Commissioners, five of whom are elected from districts in suburban Hennepin County and two of whom are appointed by the Hennepin County Board of Commissioners. The park commissioners are responsible for the acquisition, development, and maintenance of large parks, wildlife sanctuaries, historical sites, forests and other reserves, and means for public access to lakes, rivers, and streams and to other natural phenomena for the benefit and the use of the citizens of suburban Hennepin County and the metropolitan area. Nonpartisan

City offices

City Council: Members of a city council typically serve as the legislative “branch” of city government (although this varies by municipality, as they may also have executive power). Council members can propose ordinances, set administrative policy, and pass budgets proposed by the mayor. Mayoral appointments to city government typically require council approval. Nonpartisan
