

# Natural Resources Partnership Meeting

## Subject: Three Rivers Park District 2040 System Plan

Date: Thursday, November 15, 2018

Time: 9:30 to 11:30 a.m.

Location: Ridgedale Library, Lady Slipper Room, 12601 Ridgedale Dr, Minnetonka

## Agenda

- Welcome and logistics (presented by Stacey Lijewski)
- Three Rivers Park District System Plan
  - Overview (presented by Kelly Grissman)
  - Natural resources highlights (presented by Angie Smith)
- Small group discussions
  - Water resources management (facilitated by Brian Vlach)
  - Habitat management – prairie and wetland focus (facilitated by John Moriarty)
  - Habitat management – forest focus (facilitated by Paul Kortebein)
- Identifying high priority natural resources areas (facilitated by Kelly Grissman)
  - This will be a discussion to identify high quality natural resources areas for future acquisition or management opportunities. Please plan to share your agency's/organization's high priority locations in advance to facilitate a more productive discussion.
- Collaboration with natural resources partners (presented by Angie Smith)
- Next steps (presented by Kelly Grissman and Angie Smith)
- Closing comments (presented by Stacey Lijewski)
