Confirmation of your enrollment in the program will be a property tax statement. The statement will indicate that you are participating in the Direct Debit program and the payment stubs will show the amount and date on which your bank account will be debited. Your payments will normally be withdrawn from your account on May 15 and October 15, however, should these dates fall on a weekend, the payment will be debited from your account within the next three business days. Your bank statement will be your record of payment.

To ensure that a successful transaction occurs, please confirm with your financial institution that you are using an account that allows this type of draft. Also make sure that the account and routing number you have supplied are correct, and that you have a sufficient amount of money available at the time of withdrawals.

Please note that if your payment is rejected, refused or returned by your financial institution, Hennepin County is not responsible for any fees you may incur from your financial institution. In addition, you may also be charged a fee from Hennepin County for any returned payment. Hennepin County reserves the right to terminate enrollment upon notification from your financial institution that the attempt to debit your account was denied.

Your participation in the Direct Debit program will remain in effect until Hennepin County receives your written request to terminate the direct payment status. Please notify our office at least three weeks prior to tax installment due date to avoid having the payment debited. Notification of termination should be mailed to: Hennepin County Taxpayer Services, Attn: Program Enrollment, A-600 Government Center, 300 S 6th Street, Minneapolis, MN 55487-0060.

Hennepin County reserves the right to terminate the direct payment status if the parcel reflects a property combination or division, tax adjustment, tax court petition in process, or if any attempt to debit your account is rejected by your financial institution. You will be notified of any termination of the program by mail along with a Property Tax Statement that will reflect any balances due and owing for the year.

PLEASE NOTE: Applications are not accepted during May 1st – 20th and October 1st – 20th. Any enrollment form received during these two time frames will not be processed until after the 21st date of that month.
