Get rid of your household hazardous wastes

Dispose at home

Before bringing items to the events, check the lists below to see if they can be handled safely at home.

Flush down your sink or toilet with lots of water, but not in septic tank systems:
- Toilet cleaner
- Cleaner with ammonia* (do not mix with bleach)

Dry completely, remove lids and place in trash:
- Small amount of latex paint
- Latex caulk, glaze, spackle, water-based adhesives
- Empty containers
- Putty, grout

Guidelines

- Be prepared to show your driver’s license or other proof of county residence.
- Secure products so they don’t tip over or leak.
- Follow the signs and stay in line.
- Event will be shut down during inclement weather.
