# Get rid of your household hazardous wastes

## Dispose at home

Before bringing items to the events, check the lists below to see if they can be handled safely at home.

**Flush down your sink or toilet with lots of water, but not in septic tank systems:**

- Toilet cleaner
- Cleaner with ammonia\*
- Liquid soaps and detergents

*\*do not mix with bleach*

**Dry completely, remove lids and place in trash:**

- Small amount of latex paint
- Latex caulk, glaze, spackle, water-based adhesives
- Empty containers
- Putty, grout

## Guidelines

- Be prepared to show your driver's license or other proof of county residence.
- Secure products so they don't tip over or leak.
- Follow the signs and stay in line.
- Event will be shut down during inclement weather.

## Accepted from households
