

Proud to be a Plastic-Free Challenge partner

Our community cares about reducing waste, protecting water and wildlife, addressing climate change, and looking after the health of ourselves and our children. That's why we're taking the Plastic-Free Challenge this February.

Be part of the solution – join the challenge.

How to join:

1. Visit hennepinplasticfree.ecochallenge.org and sign up
2. Join a team
3. Choose your actions
4. Encourage others to join!
