The Hennepin County Bottineau Community Works program has been collaborating with cities and community partners in the Bottineau Corridor where the METRO Blue Line Extension will run to maximize community benefits of Light Rail Transit. This project focused on infrastructure enhancements to improve connections for people walking, biking, and rolling near planned light rail stations in the cities of Golden Valley, Robbinsdale, Crystal and Brooklyn Park. The following is one of ten projects selected from more than 450 potential bicycle and pedestrian projects. Design plans for the final ten projects have been developed at the 60 percent engineering level, including identifying potential implementation challenges and funding needs that will need to be addressed to move forward.

Project E: 63rd Avenue North
City of Brooklyn Park

Providing a shared-use path along 63rd Avenue North between Boone Avenue North and West Broadway Avenue will connect a large apartment complex to the planned 63rd Avenue LRT station at Bottineau Boulevard. The sidewalk along 63rd Avenue North between Forest Avenue North and Zane Avenue North will complement recently added bike lanes on this segment of 63rd Avenue North and will further connect the planned LRT station to the neighborhood.

**Facility Type:**
Shared-use Path and Sidewalk

**Project Length:**
1.5 miles

**Estimated Cost:**
$2,315,000

*Includes estimated construction costs, design and construction administration (Estimated construction in 2023)*
Final Ten Projects
