

Bottineau Boulevard reconstruction

County Road 81 reconstruction in Brooklyn Park

Hennepin County and the City of Brooklyn Park have partnered to reconstruct Bottineau Boulevard (County Road 81) between West Broadway and 83rd avenues. The project will include pavement upgrades, drainage improvements and underground utility work, as well as a number of safety improvements.

Status

Features

- For people driving, the road will include additional lanes, improved driving surfaces and traffic signal replacements.
- For people walking, there will be sidewalk curb ramp replacements, accessible pedestrian signals and countdown timers.
- For people biking, the Crystal Lake Regional Trail will be extended along Bottineau Boulevard and shared paths added along Brooklyn Boulevard.

February 2019

Timeline

Construction is anticipated to begin in summer 2019. Work will occur in stages.

- **Summer to fall 2019:** Bottineau Boulevard will close for work from 71st Avenue to Brooklyn Boulevard; also work will occur on the southern segment of Lakeland Avenue
- **Fall to winter 2019:** Bottineau Boulevard and Brooklyn Boulevard intersection will close for work; Brooklyn will be closed from Xylon Avenue to east of Jolly Lane
- **Winter 2019 to spring 2020:** Winter suspension - all construction is suspended and detours are removed
- **Spring to winter 2020:** Bottineau Boulevard will close for work from Brooklyn Boulevard to 83rd Avenue; and work will occur on the northern segment of Lakeland Avenue to Jolly Lane; other work includes striping between Highway 169 and 85th Avenue and new trail construction

Project corridor

Other work near the corridor

This reconstruction project is separate from the Blue Line LRT, or Bottineau Line, extension project. For more information about that project, visit metro council.org/Transportation/Projects/Current-Projects/METRO-Blue-Line-Extension.aspx.
