## *Grays Bay Causeway Plans*

**URS**

# Area History

- Locust Hills Development
  - Additional ROW
  - Temporary Turn Lanes

# Project Need

- **Safety**
  - Breezy Point Curve
  - Site Lines Over Bridge
  - Pedestrian and Bicycle Movement
  - Traffic
- **Utilities**
  - Met Council Forcemain Capacity
  - Wayzata Watermain Condition
  - Private Utilities
  - Overhead Utilities
- **Pavement**
  - Originally Constructed in 1950
  - Water Quality

# Public Involvement

- Project Website Updates
  - [www.co.hennepin.mn.us](http://www.co.hennepin.mn.us)
- Project Newsletters
- Community Information Meetings
- Comments Forms

# Project Schedule

- Initial Public Meetings / November '06
- Concept Layout Design / Nov '06-Jan '07
- 2<sup>nd</sup> Round Public Meetings / Jan-Feb '07
- Preliminary Design / Feb '07 – Jan '08
- Layout Approval /Jan '08\*\*
- Final Design / Jan '08 – September '09
- ROW Acquisition / 2009
- Construction / 2010-2011

# 2006 Project Activities

- Field Survey
- Wetland Delineation
- Tree Species Identification
- Traffic Analysis and Projections
- Soil Borings
- Concept Development
- Public Information / Input

# Next Steps

- Compile Public Input from Initial Meetings
- Distribute Newsletters
- Develop / Refine Concepts
  - Guiding Principles
  - Public Input
  - Field Survey / Investigations
  - Apply Engineering
- 2<sup>nd</sup> Round of Public Meetings Jan-Feb '07
  - Present Concepts
  - Solicit Feedback

# Q/A – Open Discussion

**URS**
