9-11 a.m., 5-7 p.m.

North Market

Overall, the street improvements were received favorably, with attendees expressing excitement over the changes.

Pedestrian level street lighting was positively received.

Pedestrian safety was still a top priority for many residents.

Some attendees expressed concerns about bump-outs, particularly how they would impact plowing.

Left hand turn lanes were desired on 44th and Fremont in all directions.

Attendees had mixed feelings about parking in the Webber Park area. Some favored parking on the corridor, while others opposed.

Attendees favored improved landscape amenities such as trees and native plants along the median and sidewalks.

30+
comments received

Some residents were concerned about their loss of direct access to the parkway.

Bike racks desired near the high school.

Attendees were concerned about buses blocking traffic and wanted a sign to be posted.
