

West Broadway Avenue area road reconstruction — Brooklyn Park

The road reconstruction is a joint project of Hennepin County, Metropolitan Council and the City of Brooklyn Park.

The condition of the roads due to age and use require them to be rebuilt. In addition, Metropolitan Council will be using this area for the planned METRO Blue Line extension (Bottineau Light Rail Transit).

County proposed roadway reconstruction
Planned by Hennepin County; constructed by Metropolitan Council

Additional proposed roadway reconstruction
Planned and constructed by Metropolitan Council

METRO Blue Line extension

- Planned route
- Planned station
