

## Committee Summary

### Origin

Established in March, 1967, the Minnehaha Creek Watershed District coordinates the management of the water and related land resources in the watershed that drains into Lake Minnetonka and Minnehaha Creek.

### Composition

Seven members. The Hennepin County Board of Commissioners appoints six members and the Carver County Board of Commissioners appoints one member.

### Duties/Responsibilities

A watershed district manager presides over the business of the district as it relates to the conservation of natural resources. The district's business includes the regulation of land disturbing activities, flood control and the protection and improvement of water resources. Managers attend regularly scheduled meetings of the district board and other meetings related to the business of the district. Managers are responsible for promoting district activities and maintaining cooperative working relationships with local, state and federal agencies and organizations.

### Term

3 years-staggered

### Meetings

District board meetings are held on the 2nd and 4th Thursdays of each month, at 7:00 p.m. at the District office, 15320 Minnetonka Blvd., Minnetonka, MN 55345. <http://www.minnehahacreek.org/>.

### Eligibility Requirements

Managers may not be a public officer of the county, state or federal government and must be a resident of the district., Managers may not be a public officer of the county, state or federal government and must be a resident of the district.

### Compensation

\$75 per meeting day

### Reimbursement

Traveling & other expenses
