Metro Healthy Comprehensive Plans Work Group Meeting  
Thursday, July 13, 2017  
9:00 a.m. – 11:00 a.m.  
Hopkins City Hall, Raspberry Room  
1010 1st Street S. Hopkins, MN 55343

Agenda

Light refreshments  8:45 AM

1. Welcome, Introductions and Announcements  9:00 AM
   • Denise Engen, Hennepin County

2. Check-in about meeting future meeting topics  9:10 AM
   • Nadja Berneche, Terra Soma

3. Presentation  9:20 AM
   As the site of three planned stations on the Green Line Extension (Southwest LRT), the City of Hopkins has been planning for – and is already seeing – change in the community. The Artery project is under construction, and will include a two-way cycle track connecting the Lake Minnetonka Regional trail to the Cedar Lake Regional trail through downtown Hopkins. Doran companies is finishing up The Moline, a 241-unit apartment building that will include a public park and ride, bicycle lounge, and enclosed heated parking for 31 bikes. At the same time, Cultivate Hopkins, the city’s comprehensive plan effort is underway, and will update the city’s vision of the future.

   • Jason Lindahl, City of Hopkins will give an overview “Cultivate Hopkins,” the city’s comprehensive planning update process.
   • Meg Beekman, City of Hopkins will provide an overview of the city’s extensive efforts to create a vibrant, walkable community; and introduce the Artery and Moline projects that you will see on the tour today.

   • Leave City Hall at approximately 9:35 AM and return to City Hall at 11:00 AM

Next Meeting: September (date and location TBD)
2040 Comprehensive Plan Update

Sustaining Places Framework

8 Principles
1. Livable Built Environment
2. Harmony with Nature
3. Resilient Economy
4. Interwoven Equity
5. Healthy Community
6. Responsible Regionalism

2 Processes
1. Authentic Participation
2. Accountable Implementation

2 Attributes
1. Consistent Content
2. Coordinated Characteristics

* Best practices for each
Rational for Sustaining Places Framework

1. **Value Drive** – Addresses issues and manifests the values expressed by the Community

2. **Collaborative** – Meaningfully engages citizens, organizations, businesses and other stakeholders

3. **Thematic based** – Organized in cross-cutting themes rather than discrete elements

4. **Linking process and outcomes** – Connects community values to a measurable actions

5. **Regional in focus** – the plan addresses issues that are regional in scope.

6. **Beyond paper** – Use digital technology to transcends the limitation of written documents.
5. Healthy Community

Ensure that public health needs are recognized and addressed through provisions for healthy foods, physical activity, access to recreation, health care, environmental justice, and safe neighborhoods.
