

CHIP Executive Committee

Community Health Improvement Partnership

CHIP Roles:

- **Convene** – *Bring different sectors and organizations together to move toward action*
- **Catalyze and collaborate** – *Learn from experts and impacted communities, align interests and resources, and act toward mutual goals to move the dial on mental health and wellbeing in communities*
- **Advocate** – *Get to shared decision-making and action with people who don't traditionally have a voice, and advocate for change together with them*
- **Adopt policies** – *Lead policy change within partner organizations, and work externally with political bodies to adopt policies that move the dial*
- **Use data, including health/racial equity data** – *Data will help inform (but not drive) our direction, decisions and actions, and will be used to measure progress and outcomes*
