Natijjooyinka daraasaddan waxay naga caawin doonaan inaan ku fahamno baahida caafimaadka ee bulshada ugu muhiimsan. Wuxuu ay si gaar ah nooga caawin doontaa marka aan hawsha ku shaqeyno in aan ku fahamno sida uu innagoo dhan noo saameeyey xanuunkii nagu faafay ee COVID-19. Adinka ayaa si nasiib ah ku noqday qoyska keliya ee xaafadda laga soo xushay, sidaas awgeed aad ayey muhiim noogu tahay in aad daraasaddan nooga soo jawaabtaan.

Daraasadda waxa kale oo la isku weydiin doonaa sida uu dadka u saameeyey xanuunkii faafayey ee COVID-19. Daraasaddan qofna khasab kuma aha in uu nooga jawaabo (oo ma rabno magacyada dadka). Warbixinta dadka oo dhan, iyo jawaabaha waxa la isu geynayaa iyagoo ah boqollaal ay dadku nooga soo jawaabeen.

Waxay kugu qaadan kartaa ilaa 20-daqiiko si aad uga jawaabto su'aalaha daraasadda oo dhan, fadlan raac tilmaamaha soo socda:

- 1. Ka codso qofka weyn (18 jir iyo ka weyn) ee ay taariikhdi dhalashadiisu soo dhowdahay in uu ka jawaabo su'aalaha daraasadda.**
- 2. Ka soo jawaab su'aalaha waraaqda ku qoran oo noogu soo dir boostada bakhshadda diyaarsan ee aan kuu soo dirnay.**

SHAPE 2022 waxaa dhaqaalaha ku taageeray Caafimaadka Dadweynaha ee Hennepin County. Wixii macluumaad dheeraad ah ka eego at www.hennepin.us/SHAPE.

Haddii aad su'aalo ka qabto daraasadda, soo garaac 612-543-3034 ama farrin noogu soo dir SHAPE@hennepin.us.
