Bargaining unit employee stewards and officers may leave their workstations with the concurrence of their designated supervisor(s), and they shall notify their designated supervisor(s) upon return to their workstations. Section 6. The UNION may use the EMPLOYER's facilities for union business with prior approval of the EMPLOYER. The UNION shall have access to the EMPLOYER's internal mail distribution system and electronic (e-mail) system consistent with the practice existing on the effective date of this AGREEMENT. However, the UNION agrees to request prior authorization from the EMPLOYER's Labor Relations Department prior to the use of the e-mail system for any mass communication.

Section 7. The EMPLOYER agrees to allow the UNION to use designated bulletin boards for the purpose of posting notices of union meetings, union elections, union election returns, union appointments to office, union recreational and social affairs, arbitration awards, decisions of the BMS and the courts, and other items specifically approved by the EMPLOYER. It is agreed that items which reflect negatively on the UNION, employees, or the County shall not be posted. All posted materials must be union publications or legibly signed by an authorized union representative.

Section 8. Employees have the right to join or to refrain from joining the UNION. Neither the EMPLOYER nor the UNION shall discriminate against or interfere with the rights of employees to become or not to become members of the UNION and further, there shall be no discrimination or coercion against any employee because of union membership or non-membership. The UNION shall, in its responsibility as exclusive representative of the employees, represent all employees without discrimination, interference, restraint or coercion.

ARTICLE 5 - EMPLOYER AUTHORITY

The UNION recognizes the right of the EMPLOYER to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the EMPLOYER has not officially abridged, delegated, or modified by this AGREEMENT are retained by the EMPLOYER.

ARTICLE 6 – SENIORITY

- Section 1.** Seniority is an employee's length of service for the EMPLOYER from the most recent date of employment, re-employment, or reinstatement.
- A. Seniority is not interrupted during the period an employee is on approved leave, including leave for union business or layoff, if the employee returns to active work status having complied with all the terms and conditions of this AGREEMENT and the conditions the EMPLOYER established in approving the leave.
 - B. If in the event of layoff or recall from layoff two or more employees possess the same seniority date, seniority in such cases shall be in order of the date of acquisition of regular status in the class from which layoff is to occur or has occurred. If the tie cannot be broken by this method, seniority shall be determined by the last four digits of the employee's Social Security Number, with the employee having the highest such number being the more senior.
 - C. Seniority in work classes covered by this AGREEMENT shall be retained and continue to accrue during the probationary period if an employee leaves a unit covered by this AGREEMENT for another position with the EMPLOYER because of promotion, demotion, or transfer.
 - D. An employee appointed to a regular position in the same job class and department as they were employed as a limited duration employee (except for an employee whose work schedule is intermittent, non-continuous, or irregular in nature) shall have seniority for purposes of layoff and recall from the employee's most recent date of hire as a limited duration employee, provided such limited duration and regular appointments are contiguous and sequential.
- Section 2.** Seniority rights under this AGREEMENT shall terminate under the following conditions:
- A. Termination of employment.
 - B. Layoff in excess of a period equal to an employee's length of employment but not more than three years.
 - C. Failure to return to work in accordance with the terms and conditions of an approved leave of absence.
- Section 3.** Seniority lists shall contain the names of bargaining unit employees by class arranged in order of most to least senior.
- A. Upon request of the UNION, but not more often than once each calendar year, the EMPLOYER shall establish a seniority list for the designated class(es) and unit. A seniority list shall also be established for affected class(es) within the unit at least ten (10) calendar days prior to the effective date of a layoff. A copy of seniority lists when established shall be furnished to the UNION's designated representative.
 - B. Employees and the UNION shall be obligated to notify the EMPLOYER by certified mail of any error in the seniority list within thirty (30) days of the date the seniority list is furnished to the UNION's designated representative. Within thirty (30) days of notification of errors, the EMPLOYER shall correct errors in the seniority list and furnish the corrected list to the UNION's designated representative. If no error is reported within thirty (30) days after the date the seniority list is furnished or within thirty (30) days after the date a correction in such list is furnished to the UNION's designated representative, the list will stand correct as posted.
- Section 4.** Except in those instances where senior employees are not qualified to perform remaining work duties, seniority shall determine the order of:
- A. Layoff which shall be in inverse order of seniority within each work classification and department (except as otherwise provided in Attachment B), provided that any employee who is to be laid off and has previously served in a
 - B. lower work classification covered by this AGREEMENT may request to exercise seniority rights in such lower classification or its designated equivalent.
 - C. Recall from layoff which shall be in order of seniority within each work classification and department (except as otherwise provided in Attachment B), provided that if an employee does not return to work upon recall, as directed by the EMPLOYER or on an extended date mutually acceptable to the employee and EMPLOYER, they shall automatically have terminated their employment.
 - D. If a senior employee requests exercise of seniority rights over a less senior employee for purposes of layoff, the senior employee, as a condition of the EMPLOYER granting such a request, must accept the work schedule (days of week, work shift, and the number of hours per shift) and work location of the least senior employee. The senior employee, as an alternative to replacing the least senior employee in the department (except as otherwise provided in Attachment B), may, if such least senior employee's work location is outside the senior employee's geographical work area, request exercise of seniority

rights over the least senior employee in the senior employee's geographical work area. Geographical work areas for the purposes of this section shall be as contained in Attachment A. In situations when more than one (1) employee in a job class is simultaneously requesting to exercise seniority rights to positions in the same lower job class, the EMPLOYER will make reasonable efforts to match scheduled hours by seniority.

Section 5. The EMPLOYER shall issue written notice of layoff or recall from layoff to affected employees at least ten (10) calendar days in advance of the effective date. Such notice shall be made by certified mail to the employee's last known address as shown by the EMPLOYER's records except when the employees are present at the worksite to receive notice.

Section 6. Assignment of employees to designated departments shall be at the discretion of the EMPLOYER. When it is necessary for the EMPLOYER to assign/re-assign an employee to a different work assignment, the EMPLOYER will provide such employee with two (2) weeks advance notice when practicable.

Section 7. The above provisions shall not apply to the seniority list established by the EMPLOYER and provided to the UNION prior to the effective date of a layoff as provided in Section 3A herein.

Section 8. Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT.

The parties agree to provide employees who are laid off and in the "Alternative Placement Process" the opportunity to state their preference when there is more than one placement opportunity available to them. (The County would be obligated to take the employee's preference into consideration but would not be required to grant the employee's preference).

The parties agree that if there are alternative placement opportunities available and placement is not accomplished within two (2) weeks of the layoff notice, the UNION may appeal the matter to the County Ombudsperson. If placement is not accomplished within 3 weeks of the layoff notice, and if there is an alternative placement opportunity available, the employee will be compensated at the rate of the available position subject to offset by any County derived earnings (i.e. temporary or intermittent wages, or Reemployment Insurance).

ARTICLE 7 - GRIEVANCE PROCEDURE

Section 1. A grievance shall be defined as a dispute or disagreement raised by an employee against the EMPLOYER involving the interpretation or application of the specific provisions of this AGREEMENT.

Section 2. It is specifically understood that any matters governed by statutory provisions, County Human Resources Rules, or departmental personnel rules, except as expressly provided for in this AGREEMENT, shall not be considered grievances under this AGREEMENT. If by law an appeal procedure, other than the grievance procedure contained herein, is available for resolution of a dispute arising from any provision covered by this AGREEMENT and the aggrieved party pursues the dispute through such appeal procedure provided by law, the aggrieved employee(s) shall be precluded from making an appeal under this grievance procedure.

Except that with respect to statutes under the jurisdiction of the United States Equal Employment Opportunity Commission or Minn. Stat. §§ 363.01 - .20, an employee pursuing a statutory remedy is not precluded from also pursuing an appeal under this grievance procedure.

Section 3. GRIEVANCE PROCEDURE: Grievances, as herein defined, shall be processed in the following manner:

Step 1: INFORMAL. An employee claiming a violation concerning the interpretation or application of the express provisions of this AGREEMENT shall:

- A. Within twenty-one (21) calendar days after the first occurrence of the event giving rise to the grievance, present such grievance, with or without the union representative, to their supervisor who is designated as appropriate for this purpose by the EMPLOYER.
- B. The supervisor shall give their verbal or written answer within fourteen (14) calendar days after such presentation to the employee and their steward.

Step 2: FORMAL. If the grievance is not satisfactorily resolved in Step 1 and the UNION wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be referred, in writing, to the Department Head or their designated representative and to the Labor Relations Director or their designee within fourteen (14) calendar days after the designated supervisor's answer as provided for in Section 3, Step 1-B. The grievance appeal shall be initiated by means of a written grievance to be signed by the employee and the union representative. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the provisions of the AGREEMENT allegedly violated, and the relief requested. The Department Head and/or their designated representative shall discuss the grievance with the UNION within fourteen (14) calendar days after the date presented at a time agreeable to the parties. If the grievance is resolved as a result of such a meeting, the settlement shall be reduced to writing and signed by the Department Head or their designated representative and the union representative. If no settlement is reached, the Department Head or their designated representative shall give a written answer to the union representative within fourteen (14) calendar days following their meeting.

Step 3: MEDIATION. If the grievance is not settled in accordance with the procedure set forth in Step 1 or Step 2, it may be submitted to mediation provided that the UNION and the Labor Relations Director or their designee, by mutual agreement, jointly petition the Minnesota Bureau of Mediation Services for assistance in resolving the grievance within ten (10) working days after the employee and UNION's receipt of the EMPLOYER's written answer in Step 2. The parties shall have thirty (30) calendar days in which to resolve the grievance through mediation.

Section 4.

ARBITRATION - If the grievance is not settled in accordance with the foregoing procedure, the UNION may refer the grievance to arbitration within fourteen (14) calendar days after the employee and UNION's receipt of the EMPLOYER's written answer in Step 2. The parties shall mutually agree upon an arbitrator. If the parties are unable to agree on an arbitrator, the selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Public Employment Relations Act and administered by the State of Minnesota Bureau of Mediation Services. The arbitrator shall hear the grievance at a scheduled meeting subject to the availability of the EMPLOYER and the union representatives. The arbitrator shall notify the union representative and the EMPLOYER of their decision within thirty (30) calendar days following the close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the EMPLOYER and the UNION in the event of a split decision, provided that each party shall be responsible for compensating its own representatives and witnesses. In the event that the arbitrator rules for one party or the other, the fees and expenses for the arbitrator's services and proceedings shall be borne by the losing party, provided that each party still remains responsible for compensating its own representatives and witnesses. Employees who serve as such representatives or witnesses shall not be compensated at a rate in excess of their BASE PAY RATE. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally. The arbitrator shall not have the right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this AGREEMENT. The arbitrator shall consider and decide only the specific issue(s) submitted, in writing, by the EMPLOYER and the UNION, and shall have no authority to make a decision on any other issue(s) not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation or application of the express terms of this AGREEMENT and on the facts of the grievance presented. If the arbitrator determines that the grievance is covered by law or statute, or not covered by the express provisions of this AGREEMENT, the arbitrator shall refer the grievance back to the parties without decision or recommendation. The parties may, by a written agreement, agree to submit more than one grievance to the arbitrator provided that each grievance will be considered as a separate issue and each on its own merits.

- Section 5.** If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the EMPLOYER's last answer. If the EMPLOYER does not answer a grievance or an appeal thereof within the specified time limits, the employee/UNION may elect to treat the grievance as denied at that step. The UNION may then immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the EMPLOYER and UNION representatives involved in each step.
- Section 6.** Employees serving an initial probationary period shall have right of appeal only through Step 2 of this grievance procedure except for a grievance alleging an error in salary or benefits due.
- Section 7.** Limited duration employees (except for an employee whose work schedule is intermittent, non-continuous or irregular in nature) and employees serving in the unclassified service shall have right of appeal only through Step 2 of this grievance procedure, provided employees of the Law Library shall also have right of appeal to the arbitration step of this grievance procedure.
- Section 8.** A regular employee serving a promotional probationary period shall have right of appeal under this grievance procedure provided that such employee shall not have right to appeal beyond Step 2 of this grievance procedure, a demotion to their previous classification upon failure to satisfactorily complete the required promotional probationary period. When feasible, a demoted employee shall be returned to the geographical area from which originally promoted.
- Section 9.** The grievant shall not suffer loss of regular pay while the grievant's presence is necessary at a grievance presentation meeting with the EMPLOYER or an arbitrator, except where such grievance presentation meeting or arbitration hearing occurs during the period the grievant has been removed from their job for disciplinary reasons. The time spent by the grievant in an arbitration hearing shall not be counted as time worked for overtime eligibility.

ARTICLE 8 - NO STRIKE-NO LOCKOUT

- Section 1.** In recognition of the provisions included in this AGREEMENT for a grievance procedure to be used for resolution of disputes, the UNION agrees that neither the UNION, its officers or agents, nor any of the employees covered by this AGREEMENT will engage in, encourage, sanction, support or suggest any strikes, slowdowns, mass absenteeism, mass use of sick leave, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment. Any violation of any provisions of this Article may be cause for disciplinary action including discharge.
- Section 2.** No lockout shall be instituted by the EMPLOYER during the life of this AGREEMENT provided Section 1 of this Article is not violated by employees or the UNION.

ARTICLE 9 - WORK SCHEDULES/PREMIUM PAY

- Section 1.** This Article is intended only to define the normal hours of work and to provide the basis for the calculation of premium pay, if any. Nothing shall be construed as a guarantee of hours of work per day or per week.
- Section 2.** A payroll period shall be an averaged eighty (80) hours of work within a fourteen (14) calendar day period, except as may otherwise be defined in this AGREEMENT.
- Section 3.** Work shifts, work breaks, staffing schedules and the assignment of employees, shall be established by the EMPLOYER.
- A. Where staffing schedules are routinely subject to change, a staffing schedule showing the regular workdays and work hours of all employees shall normally be prepared and posted at least fourteen (14) calendar days in advance of their effective date. Such staffing schedules, once posted, will only be

modified when necessitated by unscheduled employee absences and unscheduled changes in workload.

- B. A temporary change in the staffing schedule of a part-time or limited duration employee is not a staffing schedule change for purposes of this Article.
- C. Employees may mutually agree to exchange days, shifts or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime.
- D. If changes concerning length and/or start and end of shifts for a work unit are to be made in existing full-time shifts, the EMPLOYER shall notify the UNION in advance of implementing the proposed changes and will provide the UNION the opportunity to meet and confer with respect to the proposed changes and their effect on employees. Such meet and confer sessions shall be conducted prior to the implementation of the change, except where an emergency or other unpredictable condition makes this impractical.
- E. Employees shall normally be granted an unpaid lunch break and two paid (2) fifteen (15) minute relief periods during each full work shift of eight hours or more at times designated by the EMPLOYER. In some situations, work demands may on occasion preclude the granting of an uninterrupted lunch break or relief period.

Section 4. Worked hours in excess of forty (40) hours per work week shall be overtime and compensated at one and one-half (1 1/2) times the employee's base pay rate or one and one-half (1 1/2) hours compensatory time for each hour worked, subject to the provision that no employee shall be eligible for overtime premium unless prior approval of the overtime work was granted by the employee's immediate supervisor or their designee. Overtime premium shall be provided in the form of either cash payment or compensatory time as determined appropriate by the EMPLOYER, provided employees shall have the right to indicate their preference to the EMPLOYER.

Section 5. Employees shall be available for overtime work, holidays and night shifts when assigned to such unless excused by the EMPLOYER.

Section 6. Unless specifically provided in another section of this Article, the base pay rate or premium compensation shall not be paid more than once for the same hours worked under any provisions of this AGREEMENT.

Section 7. Shift Differential – Sheriff's Office.

For the Sheriff's Office only, a shift differential \$1.10 per hour shall be paid to all employees who work on an assigned shift where at least four (4) hours of the shift occur between 5 p.m. and 7 a.m. This shift differential shall be \$1.50 per hour for Sheriffs Records Coordinator and Public Safety Records Clerk.

Such shift differential shall be paid in addition to other forms of premium compensation for which the employee qualifies. Employees of the Department shall be subject to the same eligibility criteria for shift differential as applies to the majority of employees in their work unit. This shall include circumstances in which overtime subsequently results in the addition of hours before and/or after an employee's original assigned shift. Shift differential shall be paid along with any other applicable forms of premium compensation.

Shift Differential – All Other Departments. For all other departments, the shift differential shall be paid to all employees who work on an assigned shift where at least five (5) hours of the shift occur between 5 p.m. and 7 a.m. Shift differential shall be paid along with any other applicable forms of premium compensation.

Section 8. Call Back Pay. Employees called to the work site by the EMPLOYER shall be paid for hours actually worked at their base pay rate but not less than three (3) hours. Such payment shall be either in cash or compensatory time off as determined by the EMPLOYER.

Section 9. Should the EMPLOYER intend to institute alternate work schedules (i.e., 10-hour shifts), flex time, job sharing or work tasking, it shall first meet and confer on any of the above-mentioned items with the UNION.

Section 10. When an employee is expressly assigned to perform the duties of a position allocated to a different classification that is temporarily unoccupied, and such assignment is for forty (40) or more continuous regular

hours, the employee shall be paid for all such hours at the employee's current salary rate when assigned to work in a lower or equal class or at a rate within a higher range which is equal to the minimum rate for the higher class; or one step higher; or a minimum of the negotiated in-range salary adjustment, whichever is greater. In order to qualify for such higher rate, the employee must perform that work which distinguishes the higher classification from the employee's regular class in terms of level of responsibility, types of duties, and/or quality and quantity. Rotation of employees through a position in a higher class for the purpose of avoiding payment of out of class pay is a violation of the intent of the out of class pay agreement.

Section 11. Work shifts shall be considered part of the day and date on which they begin provided that in the Sheriff's Department and the Information Technology Department a work shift shall belong to the day on which the majority of the hours worked occur.

Section 12. Weekend Differential.

A weekend differential will be paid to all employees required to work on any shift(s) that starts on either Saturday or Sunday. The shift differential will be \$1.40 per hour.

Such weekend differential shall be paid in addition to other forms of premium compensation for which the employee qualifies.

Rather than being paid the weekend differential based on a work shift that starts on either Saturday or Sunday, Computer Operators in the Information Technology Department shall be paid the differential for all hours worked between 12 midnight Friday and 12 midnight Sunday

Section 13. Approved vacation hours shall count as hours worked for purposes of computing overtime.

Section 14. In the Sheriff's Department, overtime shall be distributed as equally as practicable.

Section 15. Multilingual / Sign Language Stipends.

Bargaining unit employees who are specifically required or authorized by the EMPLOYER to use multilingual skills shall be compensated for such work according to the following terms and conditions:

- A. Regular Multi-Lingual Stipend. Employees who are regularly required to use multilingual or sign language skills in addition to other job duties shall receive a salary stipend of \$55.00 per payroll period. This stipend will be in effect for all compensated hours including compensated leaves.
- B. Occasional Bi-Lingual. Employees who provide multilingual or sign language skills on an occasional or irregular basis at the request of the EMPLOYER shall receive \$11.00 in addition to their regular salaries for any workday on which such services are performed. This additional compensation shall not exceed \$55.00 for any one payroll period

Section 16. In Charge Pay - Senior Service Center Representative. Employees in the job class of Senior Service Center Representative who are expressly designated to direct the operations of a Service Center in the absence of a Public Service Unit Supervisor (Service Center Supervisor) or a Residential Real Estate Services Supervisor (RRES Supervisor) shall receive a differential of \$1.00 per hour.

In Charge Pay – Library Specialist (Office Specialist II) Employees in the job class of Library Specialist (Office Specialist II) who are expressly designated to direct the support functions or the building functions (as outlined in the department's best practices) of a library in the absence of a supervisor or a Lead Worker shall receive a differential of \$1.30 per hour for each hour or portion thereof so designated.

In Charge Pay – Associate Librarian. An Associate Librarian expressly designated by the EMPLOYER to be in charge of a library in the absence of either a supervisor(s) or a Librarian, will receive, in charge pay, provided such assignment is for a period of at least one (1) hour. The in charge pay will be \$1.30 per hour.

The total rate paid to the employee under the provisions of this section shall not be less than the total rate provided by Section 10 of this Article ("work out of class" pay), provided the employee qualified for payment under the provisions of Section 10.

- Section 17.** In the event the EMPLOYER exercises its discretion to close a department, work site or workplace due to an emergency, including inclement weather, employees who were scheduled to work but could not due to such EMPLOYER decision may use accrued leave (vacation/PTO, sick leave, compensatory time, deferred holiday) to cover the hours missed. Further, with the approval of the EMPLOYER, an employee may be allowed to make up the time by working additional hours. Such approved additional hours may be assigned in a work location which is different from the employee's regular work location, if practicable.
- Section 18.** Employees expressly assigned by the EMPLOYER to remain in "On Call-Off Premises" status will receive \$2.60 per hour (only HH Services Representative)
- Section 19.** Field Training Officer (FTO) Pay. In the Sheriff's Central Records, employees specifically assigned by the Sheriff/designee to perform the duties of Field Training Officer (FTO), as defined by the Sheriff/designee, will be paid an additional \$1.00 per hour for those hours worked as an FTO provided the assignment is for a period of at least one (1) hour. If an employee is assigned as an FTO they shall be paid the premium pay regardless of the number of trainees. The parties agree that there is a certain degree of guidance and coaching that more experienced employees are expected to provide to new or newly assigned employees. The FTO duties shall be distinguished by the specific assignment of the employee by the Sheriff/designee as the FTO, as well as the requirement that the FTO sign off as a coach on the required evaluation forms. The parties further agree that training done in classroom or orientations performed in an office setting are not the type of training for which the FTO would be eligible for FTO pay.
- Section 20.** Sheriff's Office Shift Bidding. In the Sheriff's Office the job classes of Sheriffs Records Coordinator and Public Safety Records Clerk (formally Sheriff's Records Clerks) assigned to Central Records will have the opportunity to bid for their shifts. There will be two shift bids in each bidding year occurring on the same dates as the office bid dates. The bidding seniority will be their seniority within their job class. An employee with less than one year's job class seniority when a bid is conducted cannot bid.

Eligible employees who work on Christmas Eve receive their pay for working and may save their Holiday Leave Day with Pay (8 hours for full-time employees) to use at another time and/or they may cash out the holiday benefit hours. The Christmas Eve holiday benefit may, for those employees who elect to work on this day, be instead utilized as a Holiday Leave Day with Pay to observe a religious, cultural or personally meaningful day.

Section 3. Except for operations which are seven (7) days per week and twenty-four (24) hours per day, when a holiday, as designated in this Article, falls on Sunday, the following day (Monday) shall be considered the holiday for employees, or when such holiday falls on Saturday, the preceding day (Friday) shall be considered the holiday for employees. An employee, regardless of their work schedule, shall receive the same number of holidays as an employee whose normal work week is Monday through Friday.

Section 4. Holidays which occur within an employee's approved and compensated vacation/PTO or sick leave period will not be chargeable to the employee's vacation/PTO or sick leave time.

Section 5. Employees may observe a religious holiday or a personally meaningful day on days which do not fall on a legal holiday. Observance of such religious holiday shall be charged against accumulated vacation/PTO, compensatory leave or taken as leave without pay. The employee must notify the EMPLOYER at least ten (10) days in advance of the religious holiday of their intent to observe such holiday. The EMPLOYER may waive this ten (10) day requirement if the EMPLOYER determines that absence of such employee will not substantially interfere with the department's function.

ARTICLE 15 - LEAVE BENEFITS AND WORKERS' COMPENSATION BENEFITS

Any employee who by reason of sickness or injury receives workers' compensation benefits may do either of the following:

- A. Retain the workers' compensation benefits and request to be placed on a medical leave of absence without pay, or

Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the EMPLOYER. ARTICLE 21 - TIME OFF FOR TESTING

Section 1. Employees who have applied for promotional or transfer opportunity and are scheduled to participate in an examination process scheduled during the employee's work time will be granted time off for such purpose if the EMPLOYER determines its service will not be unduly affected by the employee's absence. Employees granted such time off will normally be scheduled to make up the time either before or after the absence provided the makeup time shall not qualify the employee for any premium compensation for which the employee would

The LMHCC's consensus recommendations will be advisory to the EMPLOYER. If a consensus decision is reached by 8/31 of any given year of the contract, both the UNION and the EMPLOYER agree to be bound by the decision, pending County Administration approval. C. Health Insurance Provider Tiers, 2026, 2027, 2028.

As agreed to in prior contracts, the EMPLOYER will, in its sole authority, determine how many tiers and which providers are included in which tier for the Standard Plan. Early Retiree Health Insurance Program (ERHIP) for employees hired before 1/1/08 (see eligibility below).

Subd. 1. Benefit. The EMPLOYER shall provide access to the County's group health insurance program for eligible employees until the end of the month in which the employee turns age 65. An eligible employee shall receive the same County contribution towards the health insurance continuation benefit provided for in the ERHIP as though the employee is actively working and has elected single coverage in the County's group health insurance program. An eligible employee may elect to continue coverage under the County's group health insurance program for dependents provided the employee pays 100% of the cost of dependent coverage in addition to any required share of the single premium. The EMPLOYER may establish appropriate policies

and procedures to implement and administer the ERHIP that are not inconsistent with the requirements of this section. These include, but are not limited to, the application process and the time period required to apply for ERHIP benefits, the process for remitting premium payments, adding or deleting dependents from coverage or the termination of coverage for the non-payment of premiums.

Subd. 2. Eligibility. Only employees that have County group health insurance coverage in force on the date of employment termination and who were hired by the EMPLOYER before January 1, 2008, are eligible to participate in the ERHIP. Employees newly hired, re-hired or re-instated on or after January 1, 2008, are ineligible to participate in the ERHIP. To receive the health insurance continuation benefit provided for in the ERHIP, the employee must meet at least one of the following three eligibility requirements:

A. The eligible employee meets one of the following age and years of service requirements:

<u>Age</u>	<u>Non-Continuous Years of Service</u>
55 but less than 62	20
62 but less than 63	15
63 but less than 64	14
64 but less than 65	13

B. The eligible employee at the time of retirement qualifies for and applies for a full, unreduced retirement annuity (other than a deferred annuity), based on a minimum of ten (10) years of Hennepin County service, from an approved Minnesota public service retirement program.

C. The eligible employee at the time of retirement qualifies for and applies for a retirement annuity (other than a deferred annuity), from an approved Minnesota public service retirement program with at least twenty-five (25) years of covered service, at least ten (10) of which must have been with Hennepin County.

Subd. 2a. Eligibility for Minneapolis Public Library (MPL) Employees. All persons employed in a regular position by the Minneapolis Library Board who are transferred to Hennepin County employment as a regular employee as a result of a merger between the Hennepin County and Minneapolis library systems are eligible to participate in the ERHIP. Former MPL employees may also exercise their right to opt-out of the ERHIP as provided in subdivision 3, provided they do so by July 1, 2008, or 30 days after the effective date of the merger, whichever date is later. Former MPL employees transferred to Hennepin County as a result of a merger shall not receive credit for their years of service at MPL for purposes of determining eligibility for the ERHIP. Only time spent in service while employed by Hennepin County as a regular employee will count towards determining eligibility for the ERHIP.

Subd. 3. Opt-out. Employees eligible to participate in the ERHIP may opt out of the program. Employees desiring to opt-out elected in writing prior to July 1, 2008, whether they would maintain their current retiree insurance benefit, or opt out of the ERHIP and participate in the Health Care Savings Plan (HCSP) option. This was a one-time, irrevocable election. Employees who did not make an election in writing prior to July 1, 2008, are deemed to have elected to retain their current retiree insurance benefit under the ERHIP. If an employee who is eligible for ERHIP based on hire date becomes part of the bargaining unit and has not previously had the opportunity to opt-out, such employee shall be given the opportunity at a time which is mutually agreed upon by the EMPLOYER and the UNION.

Subd. 4. No Guarantee of Future Benefit. Nothing in this section shall be construed to be a guarantee of future retiree health insurance benefits beyond the expiration date of this AGREEMENT. The EMPLOYER and the Union (or in the case of a unit of essential employees, an interest arbitrator) reserve the right during subsequent negotiations to modify, amend, or terminate, in whole or in part, this ERHIP. In the event the union is decertified as the exclusive representative, the EMPLOYER may, at any time after the expiration of this AGREEMENT, modify, amend, or terminate, in whole or in part, this ERHIP.

Section 6. Health Care Savings Plan (HCSP)

Subd. 1. Establishment of HCSP. A Health Care Savings Plan (HCSP) is established to enable Hennepin County employees to save money on a pre-tax basis to pay post-County employment medical, dental and

vision expenses and/or insurance premiums. EMPLOYER and employee contributions designated below shall be deposited with a HCSP provider selected by the EMPLOYER. The County and the HCSP provider may establish appropriate policies and procedures to implement and administer the HCSP that are not inconsistent with the requirements of this section.

Subd. 2 Eligibility. Only regular and temporary Unclassified benefits-eligible employees are eligible to participate in the HCSP. Employees hired, re-hired or re-instated on or after January 1, 2008, unrepresented employees newly hired or REHIRED between January 1, 2007, and December 31, 2007, who become part of the bargaining unit after December 31, 2007, and employees that exercised their right to opt-out of the ERHIP, are required to participate in the HCSP.

Former Minneapolis Public Library (MPL) employees who exercised their right to opt-out of the ERHIP and participate in the Health Care Savings Plan (HCSP) option shall only have their time spent in service while employed by Hennepin County as a regular temporary Unclassified employee count towards determining eligibility for the County contribution in subdivision 4.

Subd. 3. Employee Contribution. Eligible employees shall contribute one percent (1%) of their salary on a per pay period basis to the HCSP.

Subd. 4. County Contribution. The County shall make the following annual contributions to an eligible employee's HCSP account beginning in 2009. The EMPLOYER'S annual lump sum contribution shall be made the second paycheck in February of each year in the amount determined by the service threshold as of December 31 of the same calendar year.

Any employee who shall have received severance pay upon termination of their employment shall not again be eligible to accrue any severance pay benefits upon re-employment with the County except for any hours accumulated in excess of the number for which they have been previously compensated. Such severance shall be based upon and measured by unused accumulated sick leave and unused accumulated vacation leave accruing to such employee during Hennepin County employment. Note that the "good standing" clause in this Article relates to the cash out of sick leave. In all cases, regardless of years of service, unused vacation/PTO (up to contractual limits) is paid out.

This process may be informally referred to as “severance pay” but is really the legally required liquidation of accrued but unused vacation or PTO up to the contractual 280-hour vacation or 480-hour PTO cap, respectively.

Employees shall provide the EMPLOYER with two (2) weeks written notice in advance of the date the employee leaves. If an employee fails to provide the required two (2) week notice, the EMPLOYER shall exclude eighty (80) hours of sick leave severance pay to which the employee may be otherwise entitled in accordance with this AGREEMENT.

Section 2. All accumulated leave benefits shall expire upon the date of severance from County service.

It is specifically understood that actual assigned workloads may differ from ideal workloads. The EMPLOYER agrees that ideal or appropriate workloads/caseloads will be a significant consideration when assessing employee work performance.
 - C. The parties will use the Meet and Confer process to establish a forum to address dignity and respect in the workplace on an ongoing basis.
- Section 2.** The parties may agree to conduct additional Meet and Confer sessions within individual departments or divisions. The number, frequency, length, scope and size of such meetings will be determined by AGREEMENT.
- Section 3.** Upon AGREEMENT of the parties, a Meet and Confer session may include additional representatives from other employee organizations or other outside parties with information to offer that is relevant to a proposed meet and confer topic.
- Section 4.** The parties agree that a specific Meet and Confer session will be scheduled for the purpose of discussing county-wide planning/change initiatives with County Administration. The Labor/Management meetings between County Administration and AFSCME Business Agents and Local Presidents could be used for this purpose.
- Section 5.** Attachment D, entitled Meet and Confer Topics, will be placed at the end of the contract and will serve as a reference list of specific topics the EMPLOYER and the UNION agree to discuss during the term of this AGREEMENT. Each agreed- upon item placed on the list will be dated. The list will include active/ongoing meet and confer topics as well as inactive topics, including dates of inception where possible.
- The Attachment D list will be reviewed and updated as needed during future contract negotiations to assist the parties with accountability for the issues that have been listed for meet and confer discussion during the term of a particular AGREEMENT. If the parties agree that a topic placed on the list at an earlier date no longer requires discussion, that topic will be placed on the "inactive list" in Attachment D. However, the inactive list will remain on Attachment D from contract to contract as a historical record.
- Section 6.** Nothing in Section 5 regarding Attachment D is intended as a limit upon the parties' ability to introduce any mutually agreed upon topic for discussion at any future Meet and Confer session.

ARTICLE 32 - DISCIPLINE

- Section 1.** The EMPLOYER will discipline employees in the classified service only for just cause.
- Section 2.** Discipline, when administered, will be in one or more of the following forms and normally in the following order:

- Section 6.** Human Resources Employee File
- A. Investigations which do not result in disciplinary actions shall not be entered into the employee's Human Resources employee file.  - D. Employees shall have access to information contained in their Human Resources employee file in accordance with the provisions of the Data Practices Act, as amended.

In the event that any of the pertinent antidiscrimination laws are changed during the term of the AGREEMENT to include or exclude a protected class or classes, this AGREEMENT will be applied so as to include or exclude that class or classes within the provisions of this section. In addition, all provisions of this AGREEMENT shall be applied equally by the EMPLOYER and the UNION to all employees without discrimination as to political or organizational affiliation or membership in the UNION.

ARTICLE 35 - SCOPE OF AGREEMENT

This AGREEMENT shall represent the complete agreement between the UNION and EMPLOYER. The parties acknowledge that during the negotiations which resulted in this AGREEMENT each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete

understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this AGREEMENT.

Therefore, the EMPLOYER and the UNION, for the life of this AGREEMENT each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this AGREEMENT or with respect to any subject or matter not specifically referred to or covered in this AGREEMENT, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this AGREEMENT.

ARTICLE 36 - SAVINGS CLAUSE

This AGREEMENT is subject to the laws of the United States, the State of Minnesota, and Hennepin County. In the event any provision of this AGREEMENT shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions shall continue in full force and effect. Upon written request of either party, the parties shall meet and negotiate on a substitute provision for the voided provision.

ARTICLE 37 - SPECIAL LEAVE WITHOUT PAY

- Section 1.** Employees may participate in a Special Leave Without Pay Program as established by the Hennepin County Board of Commissioners. The Special Leave Without Pay Program period is from date of County Board Approval through December 31, 2027.

- Section 3.** The EMPLOYER's policy on use of Special Leave Without Pay (SLWOP) provides that employees may use SLWOP in cases where they would otherwise not take the leave. The EMPLOYER will therefore interpret its policy on SLWOP to allow SLWOP for Union Leave and Parenting Leave in cases where the employee would not otherwise take the leave.

ARTICLE 38 - SALARY RATES

- Section 1.** Employees covered by this AGREEMENT as follows shall be compensated for each hour of service in accordance with the salary chart in the back of this AGREEMENT.
- Section 2.** The EMPLOYER shall determine the rate of compensation for each employee within the established salary range for their class based upon tenure and quality of performance provided that the EMPLOYER shall have the discretion to grant compensation in excess of the maximum rates shown when the EMPLOYER determines that the performance of any employee warrants any such additional compensation.
- Section 3.** Any salary adjustment provided for in this AGREEMENT shall commence on the beginning of the first payroll period after which the employee(s) becomes qualified and authorized to receive the adjustment.
- Section 4.** The EMPLOYER shall pay to the UNION or its designee \$0.40/hour for each regular hour spent on compensated payroll status by members of the bargaining unit including hours paid as severance in accordance with the provisions of Article 23. Such employer payment shall be remitted quarterly to the UNION or its designee. Such payment shall be used to provide a dental insurance plan arranged and administered by the UNION.
- Section 5.** At the discretion of the EMPLOYER and in the event the EMPLOYER encounters difficulty with respect to attraction and/or retention of qualified staff in a particular job classification, the parties by mutual agreement, may negotiate a modified salary schedule or other compensation matters for such classification.

ARTICLE 39 - AUTOMOBILE TRAVEL EXPENSES

- Section 1.** When employees are required by the EMPLOYER to use their private automobiles while engaged in County business, the employee is entitled to reimbursement at the rate established by the IRS for actual mileage

incurred. In the unlikely event the IRS does not provide advance notice of a rate change, the EMPLOYER shall execute such change within two payroll periods.

Section 2. Reimbursement shall be made for reasonable parking expenses actually incurred by the employee but not to exceed the levels outlined in the County's Administrative Manual. Parking reimbursement shall be in accordance with the policy stated in the County Administrator's memorandum of January 3, 1995. Parking reimbursement rates may be increased by action of the County Administrator.

Section 3. If an employee is requested by the EMPLOYER to have their personal automobile available for business use on an ongoing basis, the employee shall be eligible for "car available" reimbursement as provided for in the County's Administrative Manual.

Section 4. To obtain reimbursement the employee shall submit a claim at the end of each calendar month on a form prescribed by the EMPLOYER.

ARTICLE 40 - RIGHT OF CONTRACTING SERVICES

Section 1. Nothing in this AGREEMENT shall prohibit or restrict the right of the EMPLOYER from contracting with vendors or others for materials or services.

Section 2. In the event the EMPLOYER finds it necessary to subcontract out work now being performed by existing employees that will result in the layoff of employees; the UNION will be notified no less than ninety (90) calendar days in advance of the date the employees will be laid off as a result of the decision to subcontract. During the ninety (90) day period, the EMPLOYER will meet with the UNION and discuss ways and means of minimizing any impact subcontracting may have on employees.

In the event that existing employees are laid off as a result of the EMPLOYER engaging in a contract for service, the EMPLOYER agrees to make reasonable effort to relocate such employees in other positions for which they are qualified.

ARTICLE 41 - HEALTH AND SAFETY

Section 1. An employee concerned about the design or structure of their workstation (chair, keyboard height, lighting, etc.) may, with or without the UNION, petition their supervisor for an investigation of the workstation to determine compliance with the Hennepin County Ergonomics Policy. If a question arises concerning the effect of the workstation on the employee's health or safety, the supervisor may require an examination and report by a physician and/or other qualified Health and Safety professionals. If the supervisor's investigation is not completed within a reasonable time, or if the results of the investigation are not satisfactory to the employee, the employee and the UNION may petition the Department Head in writing to review the matter. If the Department Head does not complete a review within a reasonable period of time, or if the results of the review are not satisfactory to the employee and the UNION, the employee and the UNION may forward the matter in writing to the Hennepin County Environmental Health and Safety Ombudsperson for final review and appropriate action.

Section 2. One representative appointed by each AFSCME local shall have an opportunity to participate on the EMPLOYER's Environmental Health and Safety Committee. In addition, AFSCME Council 5 shall appoint one representative to each department's Health and Safety team. Such representative shall be an employee of the respective department. Upon request to the Labor Relations Department, the Employer shall provide a list of all existing health and safety related and emergency planning committees to the Union on an annual basis.

Section 3. The Deputy County Administrator shall be designated ombudsperson for matters relating to Environmental Health and Safety.

ARTICLE 42 - TRAINEES

Section 1. An "Internal" Trainee shall be an employee who holds a regular position with Hennepin County. An "Internal" Trainee will maintain all seniority, benefit levels and the right to return to a position in their prior class subject

to seniority rights and layoff provision. "Internal" Trainees will be paid at the entry-level trainee salary of the class for which they are training, or at their existing salary, whichever is greater.

- Section 2.** Each Trainee program shall specify the maximum length of time a trainee may participate in the program.
- Section 3.** "External" Trainees are persons hired into a trainee program who do not currently hold a regular position within Hennepin County. "External" Trainees shall generally earn up to 90% of the salary of the position for which they are training, unless a different wage has been negotiated with the UNION.
- Section 4.** "External" Trainees* to be employed in a program six (6) months or longer in duration and who work half-time or more shall be eligible for Health and Life Insurance benefits unless a separate plan has been negotiated with the UNION.
- Section 5.** "External" Trainees shall receive the same holiday pay benefit as regular employees.
- Section 6.** Failure to meet the standards of the trainee program shall be considered just cause for termination of employment for "External" Trainees and just cause for termination from the trainee program for "Internal" Trainees.
- Section 7.** This Article shall apply to Trainees hired on or after January 2, 2000.

Employees shall wear and maintain the uniform as specified by the EMPLOYER. Upon termination of employment, all uniform clothing must be returned to the EMPLOYER.

The pro- rated portion shall be 1/12 of the yearly allowance multiplied by the number of full months of service from the date of the one-year anniversary through December of that year.

ATTACHMENT C

BEREAVEMENT LEAVE ADMINISTRATION UNDER THE AFSCME CONTRACT

The "Bereavement Leave" article (Article 16) of the labor agreement between Hennepin County and AFSCME Council #5 provides that employees can receive paid leave in the event of a death in the employee's "immediate family." Article 16 defines "immediate family" for this purpose as comprising the following family members:

"...spouse, parent, step-parent, parent-in-law, children, stepchildren, brothers, brothers-in-law, sisters, sisters-in-law, aunts, uncles, nieces, nephews, grandparents, grandparents-in-law grandchildren, **or person regarded as a member of the employee's immediate family.**" (Emphasis added.)

The bolded part of the provision cited above first appeared in the 1994-95 labor agreement. The intent of this new provision was to recognize "non-traditional" family relationships that employees might have with persons who do not meet the literal definitions enumerated above, but who fulfill the same roles for the employee. For example, the funeral of an employee's domestic partner would qualify for paid leave under this language, if the domestic partner's relationship to an unmarried employee is comparable to that of a married employee's spouse. Similarly, such a domestic partner's parents would be analogous to parents-in-law, and the domestic partner's children would be analogous to the employee's children or stepchildren. Another type of qualifying relationship could be the parent of the employee's children (if the parents are not married).

Because the criteria relate to the definition of "immediate family" found in the labor agreement, application of the term must be consistent with the definition found in the agreement. An employee's qualifying "non-traditional" family relationship should virtually be the equivalent of a qualifying "traditional" relationship. There should be a history to the relationship that establishes such equivalency.

It would be inappropriate, for example, for an employee to decide that any funeral qualifies for paid leave under this article, because all humanity is a "family." It would also be inconsistent with the intent of the language for the employee to decide that a friend is the equivalent of a brother or sister (although a friend might qualify as a "brother" if he and the employee grew up together in the same household).

Friendship alone is not a defining characteristic of either traditional or nontraditional relationships.

Letter of Understanding Regarding Legislative Transfer of Position

LETTER OF UNDERSTANDING BETWEEN AFSCME COUNCIL 14 AND HENNEPIN COUNTY

Hennepin County and AFSCME Council 14 agree to the following related to the letter of November 2, 1995, to Rita During and Steve Marincel from Rolland Toenges regarding the legislative transfer of positions:

1. The terms of this letter will not apply to the employees of Hennepin County District Court in the following job classifications when the District Court employees are transferred to the State of Minnesota on or about July 1, 2003:

Court Clerk	Senior Court Clerk
Court Specialist	Judicial Clerk
Forensic Psychologist	Sr. Microfilmer

Therefore, the employees in the above listed job classifications will not have layoff rights as stated in Article 6 Seniority of the labor agreement.

2. The terms of this letter will apply to all other bargaining unit employees of Hennepin County District Court in job classifications as of July 1, 2002 where these job classifications are used in other County departments.
3. On or after July 1, 2002, employees newly hired to Hennepin County District Court in the job classifications listed in paragraph 2 above will not have layoff rights as stated in Article 6 Seniority of the labor agreement.
4. Employees in job classifications listed in paragraph 2 above with layoff rights will identify their interest in remaining a County employee by December 31, 2002. Failure of an employee to notify the County of their interest in remaining a County employee by that date will result in the employee terminating any layoff rights as stated in Article 6 Seniority of the labor agreements.
5. For those employees in paragraph 2 who have identified an interest in remaining a County employee, once an offer of employment is made to these employees, regardless of whether or not the offer is accepted, layoff rights as stated in Article 6 Seniority of the labor agreement are terminated for said employee.
6. The parties agree to Meet and Confer regarding this process.

Letter of Understanding Classification Study

**LETTER OF UNDERSTANDING BETWEEN
HENNEPIN COUNTY
AND
AFSCME COUNCIL #14
LOCALS 34, 552, 977, 1719, 2822, 2938**

Hennepin County understands AFSCME's concern that classification studies requested by employees it represents be processed in a timely manner. Further, that AFSCME has an interest in periodically knowing the status of such studies.

In order to provide AFSCME with information regarding the status of particular classification studies, Hennepin County agrees to meet and confer once each calendar quarter for this purpose. Upon making a request for such meet and confer sessions AFSCME agrees to identify the particular classification studies of interest at least two weeks in advance of the meet and confer sessions. Such advance notice will enable Hennepin County to arrange for the presence of staff who possess the knowledge sought by AFSCME.

Clarification of Health Insurance Article

December 1, 1995

TO WHOM IT MAY CONCERN:

This letter is to clarify the interpretation of Section 7 of Article 22, Insurance, contained in the collectively bargained agreement between Hennepin County and AFSCME Council 14 for the period January 1996 through December 1997.

The parties to this Agreement acknowledge that there is a mutual duty to bargain regarding a change in the level of health insurance benefits unless such change occurs as a result of a change in insurance carriers or self insurance.

The parties further acknowledge that, pursuant to existing Minnesota Statutes, the aggregate level of benefits provided by a group insurance contract may not be reduced unless the parties to the collective bargaining agreement agree to the reduction in benefits. Under existing statutes, therefore, if a change in insurance carriers or self insurance will result in a reduction in the aggregate level of benefits for employees, such change may not occur without agreement of the parties to the collective bargaining agreement.

Transfer to Another Jurisdiction Letter

November 15, 2005

Steve Marincel
AFSCME Council 5
300 Hardman Ave. S., Suite 2 South
St. Paul, MN 55075-2469

Dear Mr. Marincel:

This letter modifies the letter dated November 2, 1995 from Rolland Toenges and is intended to clarify the procedures which would be followed in the event that the Minnesota Legislature transfers positions occupied by bargaining unit employees to the State of Minnesota or to another political subdivision.

If the legislature were to mandate such a transfer of positions (or of bargaining unit work), Hennepin County would find itself confronted with a lack of work for employees, and/or a lack of funds. This would be a potential layoff situation as defined by Article 3 of the labor agreement. The procedures set forth in Article 6, Section 4, would therefore apply.

This means that such layoffs (or transfers to another jurisdiction) would take place in order of inverse seniority as provided in the contract. Senior employees would be able to exercise seniority rights over less senior employees, subject to the conditions and limitations found in the labor agreement, except that layoff rights granted under this letter will terminate two years after the employee is transferred to the new jurisdiction or for a period equal to an employee's length of employment with Hennepin County, whichever is lesser.

The only additional qualifications is that if the legislation mandating the transfer of positions specifically identifies the employees to be transferred, the County would be required to follow the provisions of the law. This requirement is found in both the labor agreement (Article 36) and the Public Employment Labor Relations Act (M.S. 179A.20, Subd. 2).

Sincerely,

William P. Peters

Labor Relations Director

Clarification of Seniority Letter

March 8, 1994

Mr. Steve Marincel
Business Representative
AFSCME Council #14
267 Lafayette Frontage Road South
St Paul, MN 55107-1683

Dear Mr. Marincel:

The purpose of this letter is to clarify how the parties shall interpret and administer Article 6, Seniority, Section 9 of our Clerical and Related Labor Agreement. Section 9 reads as follows:

"Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT."

An employee laid off pursuant to Article 6, Section 4 will be recalled via Section 9 to fill vacancies in other classes and departments for which qualified. The employee must accept such recall unless the pay for the job class to which he/she is recalled is more than 20% below that of the job class from which laid off.

The Employer will first recall such laid off employees to vacancies covered by the Clerical and Related Bargaining Unit. If no vacancy is available within the bargaining unit, the Employer will recall such employees to a vacancy outside the bargaining unit, if available.

If the vacancy to which an employee is recalled via Section 9 is in a different class than that from which he/she was laid off (either within bargaining unit or outside bargaining unit), the employee will remain on a layoff list for the job class and bargaining unit from which laid off. When a vacancy occurs anywhere in the bargaining unit in the job class from which the employee was laid off, the employee shall be recalled to fill such vacancy subject to seniority provisions. Upon such recall, the employee will be removed from the layoff list.

If after recalling an employee to a vacancy in a different job class from which laid off (via Section 9), a vacancy becomes available in the job class from which the employee was laid off, but such vacancy is outside the bargaining unit, it shall be the Employer's option to assign the employee to such vacancy. If the employee is so assigned, he/she shall remain on a layoff list for the job class from which laid off in the bargaining unit.

If this interpretation is consistent with your understanding of Article 6, Section 9, please so signify by signing below.

Sincerely, William P. Peters
Labor Relations Representative

Memorandum Of Understanding - Military Reservists Benefits

Improved Benefits for Military Reservists Called to Active Duty

The undersigned have agreed to modify the terms of our labor agreement so as to apply the attached Improved Benefits for Military Reservists Program to all members of the bargaining unit who qualify under the specific terms of such program.

For AFSCME Council 5, Local 2822

As allowed by Minnesota State law (M.S. 471.975), the County Board, through Resolution No. 03-232R1, has authorized two improved benefits for employees who have been called to active duty on or after May 29, 2003.

SALARY DIFFERENTIAL

Employees called to active military duty on or after May 29, 2003 are eligible to receive the difference between their County salary and basic military pay. The differential is payable if the employee's basic military pay is less than what he/she would have received in regular County salary. The following conditions apply.

1. Salary differential is available for military service on or after May 29, 2003.
2. County salary is based on daily scheduled work hours for the day(s) of military leave taken. It does not include any miscellaneous salary differentials, such as shift differential.
3. Any salary differential payment will be paid in a lump sum, subject to the County's standard lump-sum tax withholding rate, and it will include PERA contributions. The payment will be separate from any regular paycheck the employee receives during his/her absence.
4. Basic military pay does not include the following: basic combat training, advanced individual training, annual training, periodic inactive duty training, voluntary active service not legally required, or service performed under M.S.190.08 (Subd. 3).
5. The employee, or his/her representative, must request to be paid this salary differential, and supply the necessary military pay records.

EXTENDED EMPLOYER-PAID HEALTH COVERAGE

Employees called to active duty on or after May 29, 2003 are eligible to continue their County-sponsored health coverage—with a County contribution toward either single or family coverage as though they are actively working—for up to four years.

LETTER OF AGREEMENT

HENNEPIN COUNTY
AND
AFSCME COUNCIL 5

May 16, 2007

Upon passage of legislation to enable the merger of the Minneapolis Public Library (MPL) and the Hennepin County Library (HCL) systems, certain implementation issues must be addressed. Accordingly, the undersigned have agreed that Hennepin County representatives and representatives from AFSCME Council 5 will:

- a. Facilitate the implementation of any agreement entered into between MPL and the exclusive representatives which represent MPL employees related to the merger, including issues of pay. It is understood that Hennepin County will not contribute toward the funding of such MPL agreement(s), but rather will assist in implementing such agreement(s).
- b. Recognize that AFSCME, for this merger process only, may represent MPL employees in the job classification study process, as provided in the Hennepin County Human Resources Rules.
The above provision is not precedent setting.
- c. Address other implementation issues related to the MPL/HCL merger.
- d. Affix this Letter of Agreement to the Local 2822 and Local 2864 labor agreements.

Board Action Request (09-0380)

(08/17/2009 - Forwarded from County Administration by Booth

Melissa with a status of Addendum)

Originating Department: Human Resources

Immediate Approval? No

Item:

Authorization to County Administrator during a declared emergency to allow employees with depleted leave hour balances to accrue a negative vacation/sick leave/PTO balance

Board Action Request

BE IT RESOLVED, that the County Administrator be granted the authority to allow employees with insufficient paid leave hour balances to accrue a negative vacation/sick leave/PTO balance not to exceed 160 hours, under circumstances requiring employees to be off work due to a declared emergency; and

BE IT FURTHER RESOLVED, that the County Administrator be granted the authority to negotiate these provisions as they apply to union employees.

Background:

Policy provides that Hennepin County may close or reduce services if the health, safety, and/or security of county employees and clients are threatened. The County Administrator or his/her designee, in consultation with the County Board Chair if available and/or majority of the Board members, is responsible for initiating closing procedures and release of employees. Released employees may utilize vacation, sick leave, paid time off, compensatory time, or make up the time in accordance with provisions of Human Resources Rules or labor agreements.

A focus in recent planning discussions on pandemic influenza has been on administrative issues in dealing with high employee absentee rates due to employee or family members' illness, school or day care closings, limited public transportation, etc. Because these absences may be for extended periods of time, flexibility is important to help employees manage as they could potentially use all accumulated sick leave, vacation, paid time off, compensatory time, etc.

Whether due to a pandemic influenza or other declared emergency, it is requested that the County Administrator be authorized to allow employees who have depleted their paid leave balances to accrue a negative vacation/sick leave/PTO balance up to 160 hours.

Prior to accruing a negative balance, employees must execute a consent form accepting the two conditions of this allowance: 1) that upon employee return to work, vacation/sick leave/PTO hours accumulated will first be used to restore any negative leave hour balance

- once the negative leave hours have been restored, the employee may again use paid leave hours accumulated; and 2) that if the employee leaves Hennepin County service before restoring a negative leave hour balance, compensation equal to unrestored leave hours owed the county will be deducted from their final paycheck(s) .

Board Action Request (09-0339) referenced in Article 22 regarding Phased Retirement.

(07/14/2009 - Forwarded from County Administration by Booth, Melissa with a status of Communication)

Originating Department: Human Resources

Immediate Approval? No

Item:

Provide PERA-covered retirees, participating in the Coordinated and Basic Plans, returning to public employment through PERA's Phased Retirement Option, continued eligibility in the County's early retiree health insurance program (ERHIP).

Board Action Request

BE IT RESOLVED, that in support of Board Action Request 09-0097, the county continue to provide eligibility for non-organized PERA covered retirees employed in a Phased Retirement Option in the County's early retiree health insurance program (ERHIP).

Background:

Originally established in 1967 by the Hennepin County Board of Commissioners, and most recently amended in 2007, County policy is to contribute toward the health plan premium of "early" retirees meeting specified age and/or length of service requirements. A retiree is eligible for the early retiree health insurance program (ERHIP) if one of the following requirements is met:

REQUIREMENT #1

Age at time of Retirement	Year of Full Time Equivalent County Service	= Non-continuous work hours
at least 55 but less than 62	20	41,600
at least 62 but less than 63	15	31,200
at least 63 but less than 64	14	29,120
at least 64 but less than 65	13	27,040

REQUIREMENT #2

The retiree at the time of his/her retirement qualifies for and applies for a full, unreduced retirement annuity (other than a deferred annuity), based on a minimum of 10 years of Hennepin County service, from an approved public service retirement program.

REQUIREMENT #3

The retiree at the time of his/her retirement qualifies for and applies for a retirement annuity (other than a deferred annuity) from an approved public service retirement program with at least 25 years of covered service, at least 10 of which must have been with Hennepin County.

If the retiree meets one of these requirements, the County contributes towards the cost of the coverage, until the end of the month in which the retiree reaches age 65, as though the retiree is actively working with employee-only health plan coverage.

Recent changes to the County's ERHIP have limited eligibility: Resolution 06-12-546R1 limited participation in ERHIP for nonorganized employees to those hired prior to January 1, 2007.

In March 2009, the County Board supported state legislation by approving Board Action Request 09-0097. This action allows PERA- covered public employees, participating in the Coordinated and Basic plans who are at least age 62 and have 5 years of service, to retire and receive their retirement annuity and simultaneously continue or return to covered employment to work at least twenty-five percent (25%) less than their previously scheduled work hours without contributing to PERA and without the current rehire and earnings limitations.

The legislation was enacted by Hennepin County because it is anticipated to provide an avenue for the county to promote – and for retirement eligible employees to consider – phased retirement which, in turn, will allow employees to receive their retirement pension while at the same time continuing to provide service and the benefit of their experience to the County.

As a result of Resolution 06-12-546R1, PERA-covered retirees returning to public employment in a non-organized position under the Phased Retirement Option would no longer be eligible for the County's ERHIP. In addition, employees participating in the Phased Retirement Option would lose ERHIP eligibility if scheduled hours were reduced below 40 per pay period.

It is recommended that the Hennepin County Board of Commissioners – to promote the enactment of the state legislation - provide continued ERHIP eligibility to non-organized PERA-covered retirees working under PERA's Phased Retirement program.

Consensus Model and LMHCC Structure

Consensus Parameters:

1. For the term of this contract, the scope of the current LMHCC will expand to include consensus decision-making on the topics of plan design and premium, consistent with the consensus parameters established by the parties below.
2. It is understood that the LMHCC will continue to operate as an educational and conversation vehicle year-round, with the consensus process only utilized for decisions related to plan design and premium. While these decisions may come up at any time during the year, it is expected that most of the decisions requiring a consensus will occur late in the summer each year.
3. The parties will engage in a good faith effort to reach a consensus decision on premiums and plan design and realize that this may take several additional meetings in late summer of each year.
4. Attendance at the LMHCC remains available to all current attendees, but each bargaining unit will identify one "consensus representative" (and an alternate) who will be responsible to speak for their bargaining unit on the two consensus issues of premium and plan design. The consensus representative will be polled and must indicate whether or not his/his bargaining unit can support consensus on a plan design or premium issue (or, in the last year of the contract, the continuation of the consensus model into the future contract). In all cases, if a consensus decision is reached, both the union and the county agree to be bound by the decision, pending County Administration approval.
5. There will be a total of 17 eligible "consensus representatives," one representing each bargaining unit, and 8 management members from County Benefits and Labor Relations staff who will also be considered eligible "consensus representatives".
6. One Business Agent or Field Representative/ attorney representative from each unit, as well as a Council 5 staff member may attend LMHCC meetings and may be the consensus representative/ alternate for a particular local if that is the desire of the particular union/local.
7. Representatives (or alternates) to LMHCC must be present at multiple meetings, particularly during July/August of each year, to provide their bargaining unit's opinion on any consensus decision. If a representative/ alternate is not present, the LMHCC will proceed without their input.
8. Early in each year if determined necessary by the parties, a mediator will be asked to train the LMHCC on the concepts of facilitation and to explain how the consensus process differs from a negotiations or a voting process. The parties may also choose to continue to call upon the mediator as a facilitator if needed.
9. All Union representatives and County representatives must be in consensus to reach a decision. The parties understand that a representative's consent to a decision indicates a willingness to accept the decision, not necessarily full endorsement.
10. A consensus decision must be reached by August 31st 2025, 2026, 2027, to allow for appropriate timing of open enrollment.
 - i. If full consensus on premium amount and plan design is reached by August 31st of any year 2025, 2026, 2027 the consensus plan will be submitted to County Administration for final approval.
 - ii. If full consensus on premium amount and plan design is not reached by 8/31 of any year 2025, 2026, 2027, the decision on premium and plan design for that year will revert back exclusively to County Administration. The Labor Relations Director will present to the County any potential items/topics on which consensus was reached as well as the items/topics in dispute.
11. In addition, during the last year of the contract, the LMHCC will attempt to reach a consensus recommendation regarding the premium amount and plan design for the first year of the new contract (), as well as a consensus decision regarding whether or not to recommend continuation of the LMHCC consensus model.
 - i. If consensus on plan design and premium amount is not reached by 8/31 of the negotiations year, the parties shall revert to the negotiation process as they have in the past. The employer shall present their proposal for changes to plan design and premium in the traditional contract negotiation format.
 - ii. If a consensus on whether or not to continue the consensus model is not reached by 8/31 of the negotiations year, the parties will revert to the negotiation process as they have in the past.

- iii. In all cases the amount of employee contribution under the new contract remains subject to negotiations.
12. It is understood that the County's recommended rate need for the health plan, as well as the County's assessment of the plan's status vis-a-vis the Cadillac tax is determined in consultation with actuaries and is not subject to the consensus process outlined below)
 13. Use of the County's reserves or other financial assets is not an appropriate topic for the consensus discussions. The LMHCC is charged with finding a consensus recommendation regarding premium and plan design that does not include the use of reserves. The LMHCC may choose to submit a separate recommendation (or not) regarding the reserves, which County Administration may consider with no obligation to agree. In all cases, the County Administration retains sole discretion on any decision regarding the reserves. Any decision by the County to use reserves in the future will be timely shared with the LMHCC in order to incorporate such information into discussions leading to consensus. For plan years 2025, 2026, and 2027, the parties have agreed there will be no consideration of a premium holiday.
 14. Neither the consensus process nor a negotiations process will be used for changes mandated by law or a vendor. However, the parties will negotiate the effects of any such changes.
 15. In the event the EMPLOYER makes a change of Third Party Administrator (TPA) between the dates of 1/1/2025 and 12/31/2027 the EMPLOYER agrees to engage in impact bargaining over the effects of such a change as applicable under the AGREEMENT and relevant state law.
 16. The county reserves any and all rights with regard to benefit plan administration and policy unless specifically identified in this document or in the collective bargaining agreement. Nothing herein waives, expressly or implied, the Union's right to negotiate any mandatory subject of bargaining.
 17. There is no implied commitment by either party to the consensus process beyond the term of this contract. Prior to August 31 of the last year of the contract, the LMHCC will determine any continuation terms as described above.

Kate Black
Joe Broge
Jolene Catudio
AFSCME Council 5

Dear Kate, Joe, Jolene,

During the course of contract negotiations in the summer of 2018, the parties had conversations about employees who provide training to their coworkers. The union expressed a concern that providing such training could potentially impact an employee's productivity statistics.

As part of those conversations, the parties confirmed that managers and supervisors will keep in mind the amount of training an employee provides their coworkers when evaluating their productivity statistics.

Sincerely,

Katherine L. Megarry
Chief Labor Relations Officer

Dear Kate, Joe, Jolene,

During the course of contract negotiations in the summer of 2018, the parties had extensive conversations about traumatic incidents that occur at the workplace and the impact those incidents have on our employees.

As part of those conversations, the parties confirmed that, upon employee request, managers/supervisors have the ability to allow employees to use sick leave, vacation/PTO and/or SLWOP to take time away from work to recover from a traumatic incident that is above and beyond what is expected as part of their normal work day.

Sincerely,

Katherine L. Megarry

Letter on Reduced Forcing Efforts

9/24/18

Joe Broge, AFSCME Council 5 Field Representative
Alessandra Fuhrman, AFSCME Local 2822 President

Dear Mr. Broge and Ms. Fuhrman,

During the course of contract negotiations in the summer of 2018, the parties had conversations regarding the forcing of Public Safety Records Clerks (PSRCs) at the Juvenile Detention Center. The union expressed concerns that excessive forcing is detrimental to productivity and employee morale.

As part of those conversations, the County agreed to review JDC management's efforts to reduce the incidence of forced overtime. Specifically, management is working to fill any existing vacancies and retain productive employees and train Juvenile Correctional Officers to perform admissions-related work in relief. Guidelines will be developed to ensure the duty officer has explored all possible alternatives prior to mandating overtime to a PSRC.

Sincerely,

Todd P Olness
Labor Relations Representative

Letter of Agreement – Logo Wear in RRES – Service Center

August 17, 2018

Joe Broge, AFSCME Council 5 Field Representative
Alessandra Fuhrman, AFSCME Local 2822 President

Dear. Mr. Broge and Ms. Fuhrman:

During the 2018-2021 round of negotiations we discussed the possibility of the Service Center moving towards a logo wear policy during the course of this contract. The purpose of this letter is to clarify how management will administer the logo wear policy if / when the RRES-Service Center department chooses to move forward with implementing logo wear. To date, a decision has been made not to go forward with logo wear at this time, but if logo wear is implemented below is how it will be administered. If we do not implement then employees will not receive any of the following:

Employees = Service Center Representatives and Sr. Service Center Representatives

If / when the Service Centers Division implements a logo wear policy management will provide a specific quantity of Hennepin County logoed apparel to new employees and annually to current employees at no charge.

- Initially all employees will receive:
 - 5 shirts
 - 2 of either a sweater, fleece jacket or vest
- New employees will receive:
 - 5 shirts
 - 2 of either a sweater, fleece jacket or vest
- Annually all employees will receive:
 - 3 shirts
- Every two years all employees will receive:
 - 2 of either a sweater, fleece jacket or vest

Beyond what is detailed above, employees may purchase additional Hennepin County logoed apparel at their own expense from the approved apparel styles and color palette.

Sincerely,
Rita Vorpahl
Labor Relations Representative

Letter of Agreement – Time Off for Selection

Kate Black
Joe Broge
AFSCME Council 5

Dear Kate, Joe,

During the course of contract negotiations in the summer of 2021, the parties had conversations about the interpretation of Article 21, Time Off for Selection.

As part of those conversations, the parties confirmed that current language covers two full hiring processes i.e., there could be multiple interviews for one position and all of those interviews taken together count as one of the two processes per calendar year during which an employee may utilize regular time.

The parties also clarified that, once an employee has used their two instances/calendar year, managers/supervisors are encouraged to help the employees attend additional processes by utilizing vacation/PTO or flexing of hours where possible. Finally, the county encourages hiring departments to schedule interviews around an employee's current work schedule where possible.

Sincerely,

Letter of Agreement – Jury Duty

9/15/21

Kate Black
AFSCME Council 5
300 Hardman Ave S.
South Saint Paul, MN 55075

Dear Kate,

During the course of contract negotiations in the summer of 2021, the parties had conversations surrounding work schedules when employees are called for jury duty or serving as a witness in cases arising from or during the performance of their duties as a County employee. The Union expressed a desire that employees scheduled to work shifts other than the daytime shift be rescheduled to work the daytime shift when they are required to appear in court as a juror or a witness.

As part of those conversations, the parties confirmed that departments will make reasonable efforts to schedule employees appearing in court as a juror or witness on the day shift when possible, depending upon the ability of the individual department to flex schedules and maintain staffing needs.

In addition, the parties had discussion surrounding Minn. Stat. § 593.50 regarding protection of juror's employment. The County is in agreement that it will not deprive an employee of employment or threaten or otherwise coerce the employee with respect thereto, because the employee receives a summons, responds thereto, serves as a juror, or attends court for prospective jury service.

Sincerely,

Kathy Megarry
Chief Labor Relations Officer

Letter of Agreement – Performance Evaluation

11/17/21

Kate Black
Joe Broge
AFSCME Council 5

Dear Kate, Joe,

During the course of contract negotiations in the summer of 2021, the parties had conversations about employee performance reviews (EPRs) and discipline.

As part of those conversations, the parties confirmed that discipline should generally not be referenced in employee performance evaluations as each evaluation should be a review of just the most recent year's performance, not a catalog of all prior discipline. Even for current discipline, supervisors are encouraged to reference behaviors that may have led to discipline rather than the fact that discipline was administered or the specific level of discipline.

Sincerely,

Katherine L. Megarry
Chief Labor Relations Officer
